U.S. Govt. Graded "Choice" and "Good" Spring Lamb

LEG OF
LAMB 57¢ lb.

Lamb roast is one of the easiest, most delicious dishes that you can prepare. These Food Giant "Banquet-Perfect" lamb legs are especially fine and so easy to carve. The small shank is removed before weighing so that you get more tender edible meat for your money. Try seasoning roast with 1 teaspoon of Rosemary, 1/2 teaspoon of dried sweet basil, 1 tablespoon of paprika, small crushed clove of garlic and two tablespoons of salad oil. Combine and rub on roast about two hours before roasting.

THE MONARCH OF ALL ROASTS
PRIME RIBS

Here is real luxury eating at down-to-earth prices. Food Giant prime ribs are short cut—that means the excess fat and short ribs are removed before weighing. You get more tender, delicious edible meat for your money. get more tender, delicious edible meat for your money. Fine prime ribs should be roasted slowly in a 325 deg. F. oven **65¢**
 lb.

Blimp Tours Scheduled At Airport

Blimp tours of the harbor are now being scheduled with Torrance Municipal Airport serving as the point of landing and departure, it was announced this week by Ed Dietrich, manager of the field.

The craft, operated by the Goodyear Aircraft Corp., plans to make flights from the field each Sunday after a series of test hops here this week.

R. H. Hobensack, in charge of the service for Goodyear, said the blimp will be at the field from about 10 a.m. until 5 p.m. each Sunday. It is based at Rosemead Airport during the week.

It will land and take off from the extreme west end of the main taxi-way, where it will not interfere with airplane traffic, according to Dietrich.

The non-rigid craft has an envelope which contains 123,000 cubic feet of helium, a non-inflammable gas. The envelope is made of two-play rubberized nylon, which Hobensack said is lighter and stronger than the three-play rubberized cotton formerly used. It is propelled by two 145-horsepower engines attached to the gondola which carries six passengers and a pilot.

The Enterprise is an L-type blimp, smallest of seven types built by Goodyear and used by the Navy for Anti-submarine patrols during World War II.

Council Officers To Hold Meeting In Torrance Park

In preparation for the opening of school and renewed P.T.A. activities, Mrs. Michael Foxhoven, president of the Gardena-Wilmington council, has scheduled a meeting of the council officers and newly appointed chairmen for Wednesday, August 18, at 10 a.m. to be held at Torrance Park, 2300 Arlington avenue.

The executive board has been asked to meet at 9:30 a.m. for the purpose of election a new treasurer, as Mrs. Robert Ross has found it necessary to resign her post.

Ratification of new chairmen will be the most important business on the agenda. However, "getting acquainted" will be stressed at the pot luck luncheon which will be held at the close of the meeting.

Mrs. Foxhoven has stated that to have a successful year a close relationship among the officers and the chairmen who will head the various departments of council activities, is very important.

Student Picnic Slated At Harbor College

The final affair on the summer activity program at Harbor Junior College will be annual Summer Session picnic to be held on Friday, August 13, on

the college campus, from 4 to 10 p.m., J. Reyburn Hatfield, Director of Summer Session, announced today.

Intramural games, and volleyball contests between the faculty and students will start the fun at 4 p.m., followed by the picnic feast of ham, roast beef, beans, salad and dessert served by the faculty and administra-

tion at 6 p.m. Scheduled for later in the evening, in the college gymnasium, will be dancing, ping pong, and group games.

As an Associated Student Activity, the picnic is free to students of the Harbor College Summer Session, with a small charge for guests and children of the student body.
