PUBLIC DANCES SPONSORED BY MOOSE LODGE

The first of what may be a series of public square dances will be presented next Saturday, August 14, at 8:45 p.m., by the Torrance Moose Lodge, James Stiles, committee chairman, announced today.

Stiles revealed that this first venture by the lodge in the field of western dancing was the result of a survey conducted by his entertainment committee. "A definite move back to this family-type of entertainment," according to Stiles, "dictated our decision in promoting the square dances. It may be a partial answer," concluded the chairman, "to the question of public social activities in the Torrance area."

A "Chuck Wagon" dinner will precede the square dance scheduled for Saturday, August 28.

A series of lucky breaks reunited a Lomita man and three half sisters he had not seen since 1905.

The letters were posted, and Boulder residents established contact of brother and sisters through their mother, Mrs. Agnes Darling, living in Wyoming.
