### JOBIES SET GARDEN THEME FOR FASHIONS

Using the theme "In a Fashion Garden," Torrance Job's Daughters, Bethel No. 50, are staging a style show and luncheon Wednesday, September 1 at the Masonic Temple, 1321 1/2 Sartori. The salad luncheon will begin at 12:30 p.m. followed by the fashion parade.

Miss Janice Crabtree, honored queen, will narrate the show, describing for the guests ensembles from the Gay Shop, Benson's, and Neta's Tots and Teens. Acting as models will be some of the Jobies themselves, their small sisters and brothers, and their mothers.

Committee chairmen assisting Miss Crabtree with the affair are Misses Sondra Welty and Jeannette Wright handling programs and publicity respectively.

The Jobies have been planning and looking forward to this event for some time. Plans were underway before the Crestline camp trip August 7 to 14 when about 50 Jobies enjoyed hiking, swimming, dancing, and other activities at the YMCA camp in the mountain resort.

### Petersons Spend Busy Six Weeks Entertaining Kin

Mr. and Mrs. Harold A. Peterson of 321 W. 235th street have had a full and festive six weeks since early July. During that time Mrs. Peterson's sister and brother-in-law, Mrs. Eleanor Potts and Major Glen Potts of the U. S. Army and their children were visiting from San Francisco for a week.

Following the Potts' visit, Mr. Peterson's sister, Mrs. Evelyn Pechans, her husband, Edward, and their two boys, Gerald and Edward, Jr., arrived from Cicero, Illinois, to spend a couple of weeks with the Petersons. Shortly after the Pechans returned to Cicero, Mr. Peterson's father, Harry K. Peterson, arrived for a 2-week visit. The senior Mr. Peterson is also from Cicero.

A Mother and Daughter Tea combined with a doll and fashion show is scheduled tomorrow, August 20, in the Civic Auditorium, at the corner of Cravens and El Prado. This event is sponsored by the Torrance Recreation Department to promote mother and daughter relationships, spur interest in doll care and dressing, and to give the youngsters a chance to show their dolls.

Entries will come from local playgrounds, and each group will have skits, songs, and dances relating to dolls. There will be a doll and doll buggy parade, a mother and daughter parade, and a daughter and dollie parade.

Awards will be made for several classifications such as, buggies . . . best decorated, largest; smallest. Dolls . . . smallest, rarest, best displayed, best foreign doll, best home-made doll, and the best home made doll clothes.

Puppets will also be eligible and will be given prizes for the funniest, most unusual, and most attractive.

Mothers and daughters will receive awards for the best matched costumes, and daughters and dollies will also be judged for the best matched outfits.

The doll show will be open to the public, and coffee, tea, and punch will be served during the program.

### Tweeds Hit New High For Autumn

**By MARY BARRETT**  
This fall the fashions of our American manufacturers and designers have a new elegance combined with the ever-popular casual and easy air that fit in so well with our busy living.

Tweed takes the spotlight for the important suits and is being shown in such an interesting variety of color and texture that it is used not only for sportswear with which we have always associated it, but for dressy occasions as well.

**Versatile Ensembles**  
Box jacket suits come to the fore this fall. Also important is the multi-colored tweed jacket-and-dress afternoon costume, the dress being a comfortable friendly bit of simplicity that can double as a jumper with our jewel-toned sweaters and blouses.

For dress-up occasions many of the new suits are smartly stamped with a sophisticated touch of velvet (another headliner), fur, embroidery, smocked treatments, and satin highlights.

**Color And Texture**  
Shown to a great extent this fall are the many "snowflake" tweeds. For the conservative, a brown and white combination registers as beige. Black and sepia is another popular combination. The flecked multi-color nubbed tweed, however, is the perfect basic for the vari-colored palette of jewel-toned accessories that will tempt you from the counters this season.

Next week will touch on other fabric headlines for the exciting autumn panorama.

### Keynote Of Accomplishment Stressed At Committee Meet

Meeting last week primarily to discuss specific duties were all the permanent committee chairmen of the Junior Woman's club. The 23 chairmen were called together at the Woman's club house by their president, Mrs. C. Albert Smith, to set a keynote for the year . . . "living each day trying to accomplish something not merely to exist."

The requirements of the Los Angeles District CFWC Junior membership chairmanships were presented, while those in attendance enjoyed refreshments. Co-hostess for the evening was Mrs. Marvin Brain.

The 23 chairmen forming the backbone of club work for the year are Mmes. K. M. Miller, T. Weir, Paul Winn, Robert Evans, Royal Penner, Harry M. Lewis, K. L. McBreen, James Halle, Chas. Schultz, Jr., R. M. Heath, Sid Gans, Don Moyer, Phil M. Hoffman, Jr., W. M. Montgomery, J. W. Wiecek, J. M. Weir, Frank Kelly, Fred M. Hansen, Marvin Brain, V. T. Lovelady, Clair Johnson, J. W. Day, and Lester Kink.

Planned for August 25 is a luncheon at the clubhouse for new members and the board.

The Fireladies will allocate \$15 from their treasury for a needy family who will be the recipient of a Christmas Basket.

### FIRELADIES NAME AIDES TO CONCLAVE

The Fireladies, an auxiliary of the Torrance Fire Department, have named Mrs. Ray Flag of 1620 Hickory street, as official delegate to the State Convention of the Fireman's Association and Ladies Auxiliary. It will be held in Monterey, in September, with Mrs. Frank Tuttle, 1750 Elm street as alternate.

For selling the most tickets to the Torrance Community Fair, which ended Sunday, two members from both organizations will be awarded trips to Catalina, according to Mrs. Bill Russell, president.
