

## Hamilton, Levy Given Chest Campaign Posts

Commerce and Industry Division members of Torrance's Community Chest organization are currently mobilizing for the 1954 campaign, report Warren W. Hamilton, 2136 Plaza del Amo and Sam Levy, 1311 Sartori.

Both men have been named by Area Chairman Nick O. Drale to organize and lead teams that will solicit funds through local firms and industries on behalf of the Chest's 164 health and welfare agencies.

**Chairmen**  
Section chairmen enlisted to date by Sam Levy include John Ebbinghouse, 401 Arlington; David Sowie, 1524 Border; Bernard Lee, 1315 Sartori; and Dale Isenberg, 1345 El Prado. Hamilton, who is in charge of the "Public Employees and Schools" volunteer division, announces that the following section chairmen will serve under his direction: George Powell, 1754 Torrance boulevard; Howard Clark, 2335 Plaza del Amo, and James Halle, 2200 Carson street.

**Fair Share Plan**  
In a joint progress report made this week, the local Commerce and Industry chiefs stated that members of their respective teams will carry the Chest's new "fair share plan" to employees of Torrance's large business firms. The new plan, devised to aid the donor in determining what his "fair gift" should be, is based upon the contributions of 91,000 generous givers in last year's campaign.

## Painting Stucco

Answers to questions about Nalcrete

**Q.** What new development has revolutionized the painting of stucco homes?

**A.** "Dutch Boy's" amazing new polymer paint, Nalcrete.

**Q.** How does Nalcrete differ from ordinary paints when first applied?

**A.** Ordinary stucco paint often looks blotchy at first then "weathers" out to a uniform color. But Nalcrete gives a beautiful, uniform color the instant it is dry.

**Q.** What happens as Nalcrete "ages"?

**A.** Nalcrete holds its color without fading; washes sparkling clean in hard rains, leaves no dirty streaks. It defies sun, storm and fog, and, most important, it does not react with the alkali present in most masonry surfaces.

**Q.** Is Nalcrete available in colors as well as white?

**A.** Yes... in a wide range of colors from the "Dutch Boy" Color Gallery, plus easy intermixes.
