

"IT'S SANTA CLAUS!" ... Little Nadine Wagner, 11, of 20520 Hawthorne Blvd., can't believe her eyes, but it's Santa all right. It's just about time for Santa to open headquarters here since he expects to be quite busy around Christmas time which really isn't very far away anymore.

SANTA CLAUS WAGNER IS COMIN' TO TOWN AGAIN!

Santa Claus Leo Wagner of 20520 Elliot, Torrance, is rounding up his reindeer again getting ready for this year's Christmas season. Santa Claus Wagner's jolly laugh was first heard in these parts last year when he visited local hospitals, families, and organizations. He is again offering his services to any and all groups who wish to have Santa visit them around the Christmas season. Naturally, Santa is do-

ing this for the sheer love of bringing cheer to others without any further personal reward. Santa Claus Wagner, is being sponsored by the Booster's Club of the San Pedro Naval Supply Depot and Torrance Annex. The club purchased his beautiful red and white outfit plus all the accessories. Among the groups he will visit at Christmas time so far

are the Harbor General hospital, the children's party at the Torrance Civic auditorium, the San Pedro Eagles, Truman Boid Manor and the Veterans' Hospital in Long Beach. Anyone interested in contacting Santa need only call DA. 4-2990. Motoring to Kansas City, Missouri, this week are Mr. and Mrs. Floyd French and their son, Floyd, of 25420 Oak Street, Lomita. The family are making the trip to attend the golden wedding anniversary on November 8, of Mrs. French's parents, Mr. and Mrs. Henry Harrison Thomas.

Kiwanis To Attend Installation

Local Kiwanis will be attending the installation party of the new Kiwanis Lt. Governor Carl Arfwedson, Saturday night at El Camino College. A 7:30 p.m. prime rib dinner will be served with Danny Stewart and his Islanders playing dinner music. Following the dinner the

same orchestra will play for the dance, and entertainment will feature Tony Marsh, hula dancer; Francis Kawoni, and Kuulei of the the Harry Owens group. The new Kiwanis District Governor, Harold M. Heimbaugh, and other district officers are expected to attend.

Lomita Pioneer Gravely Ill At Eastern Home

Leo Milford, 60, a Lomita pioneer who retired several years ago to Springfield, Missouri, recently underwent surgery and was reportedly in grave condition in the eastern city. At his bedside during the crisis were his wife and six children. Making a hurried trip from this area were a son and two daughters, Marcus Milford and Mrs. Paul Boulanger of Hawthorne, and Mrs. R. M. Robertson of 1551 West 221st street, Torrance. Mrs. Robertson, who was born and raised in Lomita, reported that her father's condition had improved somewhat, and that she and her brother and sister had returned to California hoping for his complete recovery.

Torrance Hi Band Participates At USC Band Day

The Torrance High School band participated in the 11th annual USC Band Day last Saturday. Highlight of the occasion, the halftime show honoring John Phillip Sousa, was overshadowed by the tragic collapse during the practice session of the portable steel tower when several injured persons were rushed to Georgia St. Receiving Hospital.

Despite the accident, practice went on before lunchtime. Following lunch, 26 bands paraded from Bovard Field to the Coliseum, where the spectacular halftime show honoring "The March King" took place.

Rotary Club To Receive Banner

The Carson Chamber of Commerce will present a new banner to the Dominguez-Carson Rotary club. The presentation is to be made soon by Treasurer John Cales.

Painting Stucco

Answers to questions about Nalcrete

Q. What new development has revolutionized the painting of stucco homes?

A. "Dutch Boy's" amazing new polymer paint, Nalcrete.

Q. How does Nalcrete differ from ordinary paints when first applied?

A. Ordinary stucco paint often looks blotchy at first then "weathers" out to a uniform color. But Nalcrete gives a beautiful, uniform color the instant it is dry.

Q. What happens as Nalcrete "ages"?

A. Nalcrete holds its color without fading; washes sparkling clean in hard rains, leaves no dirty streaks. It defies sun, storm and fog, and, most important, it does not react with the alkali present in most masonry surfaces.

Q. Is Nalcrete available in colors as well as white?

A. Yes... in a wide range of colors from the "Dutch Boy" Color Gallery, plus easy intermixes.

Tokyo Phone Call Thrills Parents On Son's Birthday

Airman 2/e John R. Bowen observed his twenty-first birthday recently, and the occasion was made memorable by a telephone conversation with his parents, Mr. and Mrs. W. E. Bowen of 1327 Post avenue, Torrance.

Young Bowen spoke to his parents across many miles of sea, as he is stationed in Tokyo with the 746 Air Force Band, Rudi, as he is known to his friends, entered the service as an enlisted man March 30, 1953, receiving his assignment to the Air Force band at the time of enlistment.

Graduating from Torrance High School in 1952, Rudi attended Colorado State Teachers' College and completed a full year's work at El Camino between graduation and entering the service.

He is still a member of the Torrance Area Youth Band, and in Tokyo he has played several concerts in addition to his parade duties with the service. He also does arrangements of music for the Air Force band. He is planning to complete his musical education at the conclusion of his Air Force service.
