Building Up 62% Over '53

Building activity in Torrance has already surpassed predictions and when the year is up the figure will stand somewhere between \$44-million and \$45-million, an increase of more than 60 per cent over last year's figure, according to City Building Department sources.

Construction for the month of November sky-rocketed to \$4,789,591 as compared with last year's November figure of \$1,920,722, according to Walter Bradford, senior clerk in the Building Department.

Total through November for this year now stands at \$41,477,049. Last year's total for that period stood at \$26,280,030.

Continue To Rise
Building activities in the coming year will continue to raise by leaps and bounds, Building Superintendent John Russell predicted, stating that it would probably reach the \$70-million mark.

Major construction for November included the following:
\$1,175,900, Milton Kauffman tract, 144 homes, 190th st. and Hawthorne ave.;
\$406,440, Ambassador Construction co., 45 homes, Grano Summit road, Oakbay road, Loftyview dr.;

LATE NEWS

CRENSHAW: Crenshaw boulevard between Carson street and Sepulveda boulevard, will be improved under a bid call slated for December 21 by the City Council, according to City Engineer Ronald Bishop.

CHECK WARNINGS: Merchants are alerted this week to fictitious pink-colored checks using dark printing and carrying the name Plastic Process company, 10400 Aviation boulevard, Los Angeles, in the upper left hand corner. They're made out to Phillip D. Blanchard and signed 1) M. S. Cline and S. K. Madden or 2) Anderson and Fuller (no first names). All checks are for the sum of \$91.88 and all carry the number 4955. Southwest area is flooded with them, according to Det. Capt. Ernie Ashton.

LOMITA BOULEVARD: Authorization for the payment of \$8,811.00 for the purchase of eight parcels of land, necessary for the widening of Lomita boulevard was given Tuesday by County Supervisor Burton W. Chace.

Chace said the parcels to be purchased will provide part of the right of way for the county's program to widen Lomita boulevard from Western avenue to Woodward avenue.

The county's program, Chace announced, calls for the widening of the traffic artery, which now varies in widths from 40 to 60 feet, to an 84-foot wide, four-lane highway.

WALNUT STREET: Appropriation of funds for the grading and paving of the shoulders of the road on Walnut street to a point 600 feet south of Lomita boulevard to provide for adequate drainage into the recently constructed Lomita storm drain was approved Tuesday by County Supervisor Burton W. Chace.

Chace said the appropriation will permit the County Road Department to begin work immediately "to allow for the proper drainage prior to winter rains."

Officers to Be Named by Carson Assn.

The Carson Civic Betterment Association will have its election of officers Monday, December 6, at 7:30 p.m. at the home of James G. Caldwell, 22120 Moneta.

Outgoing officers are James Caldwell, president; Lloyd Rowe, vice-president; Mrs. W. E. Roller, secretary, and board of directors consisting of Maurice Tarling, G. J. Wallace, and Theodore Bredahl.

"We have exceptional personnel in the Building Department," Russell declared in commenting on the vast amount of work which his

relatively small staff of 12 men must handle. "I'm proud of the people working with me. The city is getting as good inspections as any governmental sub-division I know of, and I have worked with a lot of them."

Pilot No Longer Up In The Clouds

Robert L. Mason is a man with his feet on the ground mainly the result of a whopping aerial hangover.

Mason, who set his plane down rather unceremoniously on Pacific Coast Highway during a dense fog Nov. 14, was grounded last week by Municipal Judge Otto B. Willett.

The judge also placed Mason 33, of 25233 Weston Rd., on probation for two years and ordered him not to fly until properly

Residents Dump Free

Local residents are reminded that the Torrance dump is open seven days a week and rubbish may be dumped there free of charge. It is unlawful to dump rubbish on the shoulders of the

road and violators will be prosecuted, it was stated.

The dump, located north of Torrance boulevard on Madrona, is open Mondays through Fridays from 7 a.m. to 5 p.m. and on Saturdays, Sundays, and holidays from 7 a.m. to 4 p.m.

A slight fee is charged commercial establishments or dumpers who are not residents of the city of Torrance.

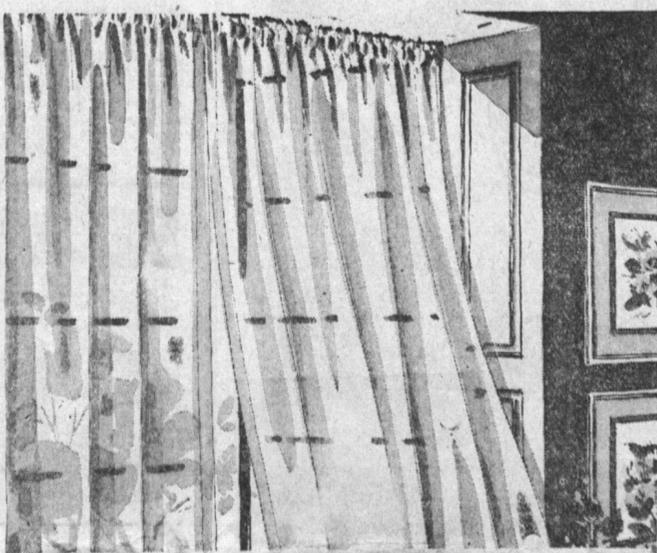

The next board meeting of the Temple Menorah Sisterhood will be held December 2, at the home of Evelyn Davis, 514 North Guadalupe, Redondo Beach, at 8:30 p.m.
