Chest Chairmen Pushing For 100% Campaign Quota

Declaring that "you can't give a child only 90 per cent of a chance," Red Feather Chairman Tommy Thompson this week urged full cooperation in making it a 100 per cent and bringing the current Community Chest campaign to a complete close.

He pointed out that Torrance, like most other participating localities, was carrying a 90 per cent quota, to reflect the present status of the entire Los Angeles area campaign.

Victory for the Los Angeles Chest campaign was in sight for the first time since the war years, according to Campaign Chairman Jack Fishburn, who reported 90 per cent of the \$8,652,000 over-all goal in the beginning of the week.

In Torrance, another \$700 reported by Sam Levy and Warren Hamilton increased the local commerce and industry quota to 89 per cent, just four points behind the residential unit quota of 92 per cent. Total contributions tallied \$16,689, representing 90 per cent of the city goal.

According to Thompson, the Harbor area was forced to relinquish its lead among Associated Cities areas for the first time this week, when San Fernando Valley reported an 89 per cent quota. In second place, the Harbor area leaders report the following figures:

Residential — \$45,264, 87 per cent of \$52,161 goal;
 Commerce and Industry, \$20,748, 64 per cent of \$32,529 goal.

In calling for a "complete Berry Farm.

job," Thompson said "A little extra effort can assure victory, which would make it possible for all those taking part in the campaign to enjoy Christmas secure in the knowledge that they have been fully mindful of the needs of their fellow men."

GAS CO. CLOSED DEC. 24

Torrance office of the Southern California Gas Company will be closed the Friday before Christmas, according to Division Manager L. E. Green, but telephone service to customers will continue interrupted.

With Christmas falling on a Saturday this year, the Gas Company is closing its office a day early, Green explained, so that employees may spend additional time with their families. The office is never open on Saturdays.

Requests for service—such as emergency adjustment of gas appliances—should be made by telephoning the company at its regular number, FRontier 2-2181.

Payments may even be made that day, Green pointed out, by using the after-hour payment box at 1340 Post avenue.

As a further service, customer offices in Inglewood and Redondo Beach will remain open. Employees who work the day before Christmas will be permitted to take the day off before New Years, Green explained.

The contest, sponsored by the Rabbit Raiser of California, saw Torrance's Sandra Lee Constance, well-known beauty queen, officiating over the crowning.

The beauty pageant was produced by Catherine Coleman, who is also the producer of the Birdcage theater melodrama presented at Knott's Berry farm.

Babs Whitley Wins Honors

Babs Whitley, popular Torrance high school student and one of the candidates in last summer's "Miss Torrance" beauty contest, won third place honors last week in the "Miss Rabbit of Tomorrow, 1955" presented at Knott's Berry beauty contest held at Knott's
