

LATEST ADDITION to "Automobile Row" on Cabrillo ave. is this used car lot opened by South Shore Motors, Lincoln-Mercury dealer. The lot, handling both used and new cars, is located at 1311 Cabrillo (near El Prado).

Lincoln-Mercury Dealer Opens Biggest Local Lot

The largest used car lot featuring the biggest neon sign on any lot in Torrance was opened last week at 1311 Cabrillo (near El Prado) by South Shore Motors, local Lincoln-Mercury dealer, it was announced.

While featuring used cars, the lot also has a large display of '55 models, Cal Morgan, manager of South Shore Motors, explained.

The expansion was necessitated by the continuous and rapid growth of the local agency, Morgan stated. By opening up another lot, agency will be able to offer expanded services in its service department at 1336 Post ave.

Both the service department and the new car display room will still be located at the Post ave. address.

The new car lot will have an average of 50 cars at one time.
