

**Girl Scouts Fete Grads At Leland St.**

"Surprise! Surprise!" Thus were the girls of the "Danette" patrol of Girl Scout Troop 1391 greeted when they arrived for their regular meeting in the teachers' dining room at Leland Street school recently.

The occasion for the party was the coming graduation of the older patrol from Leland, and the hostesses were the girls from the younger patrol, known as the "Six Green Sprouts." A large cake, made and decorated by the girls themselves, congratulated the graduates and was signed with Six Green Sprouts. Cupcakes, candy, and punch, followed the same theme. All work done on these items contributes toward the earning of their cook badge.

Games and dancing occupied the remainder of the time for both patrols, with leaders, Frances Foat and Dorothy St. Peter acting as spectators. This troop is sponsored by the P.T.A.

Honored at the event were Beverly Foat, Doris Bryant, Irene Valdez, Marilyn Meyer, Linda Dapena, and the patrol leader Judy Winters. Hostesses include Marion Foat, Margaret Flett, Gwenette Smith, Joanne Herbert, Joan Scheck, and their patrol leader, Linda Garner.

Next event scheduled for this group will be a court of awards in February.

**Reading Spotlighted At Narbonne**

The January meeting of Narbonne High P.T.A. featured an informative program on Remedial Reading, presented by Earl Barnett, principal, acting as moderator. Participating in the discussion was Mrs. Fay Johnson, 7th grade counselor, Miss Jean Lanchester, remedial reading teacher and 10th grade counselor, and James Cost, 8th grade counselor.

There was also a display of books, tests, flash cards and word lists.

The musical part of the program included Shirley Washburn singing and Stella Emery playing a piano solo.

The association voted to present an honorary life membership at the February meeting. Mrs. Frank Allen is honorary life membership chairman and Mrs. Minof Rugg and Mrs. A. O. Boderman were appointed to assist her in choosing the recipient.

Mrs. J. O. Blackmon, recreation chairman, reported on the plans for the all night graduation party to be held January 4.

Everyone was reminded to save their papers and rags for the drive on Friday, February 4.

The next association meeting will be February 15 at 1:30 p.m. in the Little Theater when the Founders' Day program will be presented.

**Drawings For New NHS Filed**

Preliminary drawings for the new Narbonne High school have been filed with the city and State, it was indicated in the latest Board of Education progress report on bond fund construction.

The proposed high school will be located near Western avenue and Lomita boulevard.

Three more steps must be taken before the start of construction. The working drawings must be adopted, the job advertised for bids, and the contract awarded. It has been estimated that the \$2,000,000 project will take about a year to complete.

Among other 1952 bond fund projects, construction has been completed on the new Normont Terrace school assembly building.

Drawings also have been filed with the city and state for a new kindergarten building at Harbor City elementary school.

**CLASS FETES MEMBER WITH BABY SHOWER**

The women's ceramic class at Normandale Playground feted one of their members, Mrs. Nancy Drake, with a baby shower recently. The surprise shower followed a potluck dinner given by the class.

Class members present were Mesdames Neva Mitchell, the honoree's grandmother; Mary Gonderman, Maxine Hazher, Norma Condon, Billie Robertson, Jewell Patton, Daniel Beckett, and Miss Alice M. Dunbar, ceramics instructor and chief director of Normandale. Also present as a guest of the class was Mrs. Drake's mother, Mrs. A. L. Henthorne.
