Chamber To Sponsor Local 'Mrs. America' Contest

The Torrance Chamber of Commerce today officially accepted sponsorship of the local contest to select the next Mrs. America and President Paul D. Loranger indicated how the chamber feels about the contest when he said:

"We intend to have our Mrs. Torrance become Mrs. California and then go on to be the next Mrs. America."

At the same time, Loranger announced that Paul Diamond of the Gay Shop, 1319 Sartori, will be chairman of the local contest.

This year's 17th Annual Mrs. America Contest, Loranger indicated, is open to any married woman over 21 years old, and is being conducted in communities throughout the U.S. under sponsorship of the American Gas association.

The contest is by no means a bathing beauty affair. Major emphasis will be placed on the homemaking abilities of the contestants.

"A pleasing and attractive personality is important, however," Loranger said.

He reported the distribution of application blanks is now in process.

"Any woman who is interested," he added, "may secure application blanks at the Torrance Chamber of Commerce, Southern California Gas company offices, Jim Dandy market, Roth's market, Liberty Home Appliance, National Home Appliance, Frank's Furniture, Burk's Bargain Spot, Star Furniture, Frank's Furniture, the Gay shop, Torrance Heating and Appliance, Paul's Chevrolet, and many other local merchants."

Additional information on the contest is also available by calling the Torrance Chamber of Commerce, FAirfax 2-8814, Loranger indicated.

The next Mrs. America will win more than \$15,000 worth of useful prizes and a week long trip for herself and her husband to Ellinger Village, Florida,

Polio Drive Dance Set Saturday

"Dance so that others may walk..." will be the theme of the second annual "March of Dimes" dance to be presented by the Torrance Moose lodge, 1744 Carson St., on Saturday, January 29, 9 p.m. to 1 a.m. Joseph Piatt, civic affairs chairman, announced today.

Charles Shiffer, lodge committee chairman, and Mrs. Clara A. Conner, Torrance postmaster, and chairman, of the local polio fund drive, anticipate an attendance at the dance greater than last year's near capacity though. All proceeds will go into the polio fund, which last year netted a substantial sum for the Torrance drive.

An orchestra will provide music for dancing, according to Shiffer, and refreshments will be available.

Marvin McArthur, lodge governor, and Joyce Clay, senior regent of the chapter, will act as host and hostess for the evening's festivities.

San Pedro Girl Scout Association met Wednesday morning at 10 a.m. in the Homer Toberman Settlement House for their first meeting of the new year, according to Lynnell Carter, chairman. Plans for the coming annual cookie sale were announced at this time.

where the final contest will be held.

Tract Plans Disapproved Once More

Objections continued to be voiced against tract plans presented to the Planning Commission by Harry Kissel, developer of a south-west Torrance tract below Pacific Coast Hwy.

The plans were sent back to Kissel with a list of the group's objections to the original proposal.

Objections included:
 1. No park site is shown on the tract map. The Recreation Commission, after studying the area, reaffirmed its desire for a five-acre site adjoining Riviera School.
 2. Only one narrow access road, coming out on Newton St., is shown on the revised map.
 3. Streets should be at least 30 feet in width, instead of a proposed 24 feet.

'Origins' To Be Delphian Study Topic

"Human Origins" is the topic title for discussion today, Thursday, January 27, as the Delphian Society holds its regular meeting at the Torrance Library.

Leading the discussion will be Mrs. F. W. H. Van Oppen, while opening speakers will be Mesdames S. N. Lewis, S. J. Paltin, H. G. Babcock, Robert MacNicol, and Paul Harestad.

All Delphian members and their husbands have been invited to a steak dinner at the Del Mar Beach Club next Wednesday, February 2, at 7 p.m. Speaker at the dinner will be Philip Cummings, noted educator, foreign observer, and lecturer. Subject of his talk will be "The Role of Big Business in a Whirlwind of Chaos."
