BABE RUTH LEAGUE fund-raising campaign got under way this week. Here Percy Ross, owner of Mayflower dress shop, receives a gold nugget from Mrs. Ben Rusk, chairman of the drive, to show that he contributed. Money will go toward financing the Babe Ruth League youth program.

Giant Moving Operation Undertaken
The giant 227-ton stator for the first turbine generator at the company's El Segundo Steam Station was due to be cribbed into place last week on the generating deck of the station.
The huge stator, which is 12½ feet in diameter and 30 feet long, arrived last week at the El Segundo Oil Refinery siding after a month-long trip by rail from the General Electric Company factory at Schenectady, New York.
One of the biggest equipment moving operations ever attempted in the Southland soon will be completed, according to L. E. Jenkins, Southern California Edison Company district manager.
