The meeting will be a brunch on Saturday, April 2, at 11 a.m. at the Torrance YW, 2320 Carson.

Members of this committee with members of the branch committee will serve as hostesses to welcome members and friends of the association. Y-teens and their mothers are especially urged to participate. Mrs. Allen Ppatt and Mrs. R.

A. Kelsey will be in charge of tickets and reservations.

Other committees working on the event are: brunch, Mrs. L. A. McCoy, chairman, assisted by Mesdames Lee Stamps, J. P. Montague and R. J. Prout; service, Mrs. Joseph Rogan, and Y-teens; table setting, Mrs. Minnie Solomon and Mrs. Walter Silence; invitation design, Mrs. Helen Benton; decorations, Mrs. J. P. Montague, and Mrs. McCoy.

CDA Juniors Plan Event For Mothers

Plans for the May 4 mother-daughter reception of Junior Court St. Catherine, were formulated at a council meeting last Thursday at the 1420 Cota avenue home of Mrs. Gerald Loew, chairman of the junior court.

Discussing the reception to be held at 8 p.m. in Nativity parish hall were Mesdames Loew and Frank A. Gately, grand regent and junior court counselors, Mesdames Joseph Terkmany, John Melyville, Ferd Rick, and William Hardesty.

The May 4 event was also discussed at the meeting of the junior court following its Communion breakfast last Sunday at Nativity. Following the 8 a.m. Mass, Miss Susan Gately, president of the junior court, conducted the meeting held in the parish hall.

DUTY IS a power that rises with us in the morning and goes to rest with us at night. It is co-extensive with the action of our intelligence. It is the shadow that cleaves to us, go where we will.—Gladstone.

OPENS TODAY: What store officials say is the largest selection of shoes under one roof will be displayed today, tomorrow and Saturday, when Pal Shoes, 15216 Crenshaw boulevard, holds its grand opening. Ralph (Pal) Satnick, owner, is the man who claims he developed self-service and parlayed it into the biggest operation in the shoe business. Public is welcome to browse through the original Pal warehouse where clerks will help in finding the

right color and size, but no high pressure selling is permitted. Firm carries nationally advertised brands and guarantees to save patrons from 20 to 50 per cent on purchases, Satnick says. Wholesale volume helps in selling shoes at tremendous savings, according to Satnick. Special attention in children's department is given by experienced clerks to insure perfect fit.

Company Opens Self-Service Shoe Outlet

Largest self-service shoe outlet on the west coast, Pal Shoes, incorporated, will open its doors today, staging a grand opening merchandising event, at 15216 Crenshaw boulevard. Established in 1942, in Los Angeles, as a wholesale shoe distributor and manufacturer, Ralph (Pal) Satnick developed the idea of self-service shoe selling. Since then his idea expanded. Now it is the largest operation to hit the shoe business.

"You buy shoes that you, and you alone, select. Clerks help you find the proper size and color from the largest collection ever assembled under one roof," Satnick explains.

Satnick, a quiet spoken man of short stature who operates in a big way, declares that he guarantees to save his customers from 20 to 50 per cent on every purchase.

The firm carries nationally advertised brands and guarantees all shoes as first quality.

Wholesale volume enables Pal Shoes, incorporated, to sell to the public at tremendous savings.

Satnick maintains that self-service in selecting shoes is a lot of fun, plus the fact that there is no high pressure selling. He emphasizes that every one is welcome to browse through the store where a leisurely and informal atmosphere prevails to preview the latest stylings in dress, sport, casual, evening, spectator shoes of high quality and latest design at unequalled prices.

Tots Planting Gardens at Meadow Park

Spring flowers as well as table produce will soon be harvested at Meadow Park school due to the enthusiastic efforts

of two primary grade rooms and two kindergarten rooms at the school.

Each child is responsible for his own garden plot, and has cultivated, fertilized, and seeded the ground. Parents have cooperated by loaning garden tools.

The boys and girls are now eagerly watching for the results of their care.
