

Small change goes a long way when you shop at the Fabulous F. G.

HERE'S A
19
SALE!

Look what **19^c** will still

It's a comfort to know that we at the Fabulous F. G. can still offer our customers real grocery values for as little as nineteen cents. Just think, you can buy needed food items for two dimes and still get some change back! Oh, we know that you can't buy an oil well with the change you get back, but having something left to put in your pocketbook is a real nice feeling... and, anyway, oil wells are so noisy! So, if you want your small change to do a big buying job this weekend, drop in to the friendly Food Giant, the cleanest, most convenient and most economical place to shop in the community.
