Hamburger Hut Opens Here Fri.

Specializing in hamburgers and breakfast dishes, Hamburger Hut at 1500 W. Carson (between Western and Normandie) will celebrate its official grand opening tomorrow, Friday, April 15.

This is the second Hamburger Hut to be established in the Harbor area, the first one being located in San Pedro.

"We use only high quality beef and grind it ourselves," commented Larry Seegmueller, owner of the establishment. "Hamburger Hut will be open seven days a week, 24 hours a day—we're throwing away the key!"

There'll be flowers for the ladies as part of the grand opening celebration Friday.

Seegmueller will announce a free home delivery service shortly. Residents will be able to order food for delivery between 6 p.m. and 2 a.m. This catering service is an exclusive feature for Torrance, Seegmueller said.

The new Hamburger Hut was formerly the Torrance Grill which Seegmueller has enlarged and remodelled.

Seegmueller has been in the restaurant business 20 years, 15 of which have been spent in San Pedro.

The new establishment will be managed by Jacques Board, who has been associated with Seegmueller for the last 15 years.

CONSTIPATION FAST PROVEN METHOD RELIEF IN 20 MINUTES

Learn the true facts of disease. Many people constantly complain of stomach disorders, such as gas, bloating, burning of the stomach, abdominal cramps, nausea and vomiting, when in reality, the lower part of the bowels is to blame. It is a well known fact that most distress as stomach trouble. This misconception is a natural one. Constipation results in the formation of large quantities of poisons that gain entrance into all parts of the body by means of the

blood stream and lymph channels. The effect is the same as it would be if you were to swallow a dose of poison every day. The first and last thought in the mind of most people when they become constipated is to take a physic, yet no physic was ever made that would cure constipation. Continued use of physics leads to definite ailments of the colon itself. Stop fooling yourself. Know the true facts of disease. Life or Death can be due to neglect of your physical condition.

HEART

Over half of the deaths in the country are due to Heart and Blood Vascular disorders

GALL BLADDER

The Gall Bladder is of interest clinically only when it becomes infected or otherwise is injured. Under such circumstances it no longer concentrates bile in the normal manner but pours out a fluid which differs greatly in composition from the normal Bile; or it harbors a stone which causes

trouble or perhaps when it is the site of a malignant growth. Fully one half of the patients who come to me believing they have stomach Ulcer or gastritis are really affected with some form of Gall Bladder disorder.
