

Special revival services are in progress this week at the Harbor City Revival Tabernacle, Normandie at 256th street. Two young men of Corpus Christi, Texas, Earnest Max-

well and Buck Blackmore, will be guest evangelists for this series of meetings. Pastor Fred Martin states that these evangelists have had success in other Assembly of

God churches in California and a good interest is already created in the local church. Services begin at 7:30 each evening and are open to the public.

THE DANCING SAN PAOLO'S... Loving to dance more than anything else, the San Paolo's live, eat, and drink dancing. They are (l-r) Joe, 13, in a comic pose; Carlo, 14, and Agatha, 11, tango; Tommy, 7, and Mary, 5, bop. Four of them deliver the Torrance Press every Thursday.

dancing, tango, and adagio. Tommy and Mary, known as the Wee-Bops, caused a major sensation in the family within recent weeks.

The two children never took dancing lessons but have been watching the Al Jarvis show lately and began to imitate what they saw.

While attending a talent show at a Lawndale auction house recently, the two asked to be permitted to dance, and stole the show. They came home with the first prize and the following week won the second and third prize.

A number of benefit shows

are now coming up for them. San Paolo, who has lived in Waleria six years, owned the Waleria Cleaners at one time and is now working for Northrop Aircraft.

Four of the children are Torrance Press carriers. "They've been carrying the Press since October," San Paolo said. "They deliver 1600 papers every week. The money which they earn makes it possible to give them dancing lessons. My wife and I figure that if we can keep them working and dancing, they'll keep out of trouble and we'll keep our family together."

Last night I saw upon my screen 1 cowboy show (30 min.), 2 cartoon programs (1 hr.), 1 puppet parade (15 min.), another cowboy show (1 hr.). Then the Todler was tucked in bed.

Ah-hah now for a few relaxed moments for Mom and Pop... but no charging through the door, our pride and joy Teen Ager, with 2 fiends (pardon me friends) bent on a few hours of jive.

That did it... Today we bought our 2nd T.V. A G.E. of course, from Nicolas. Ah, peace—it's wonderful.

Sells more...because it's worth more!

Ford's worth more when you buy it... and it's easy to see why! Only Ford brings you the long, low look of the Thunderbird and its "car-of-tomorrow" lines. Only Ford gives you the instant—and reassuring—response of Trigger-Torque power... power that whisks you up hills or around traffic... gives you "Go" when you need it for safety's sake! And Ford alone in its field gives you the solid comfort and handling ease of a new and smoother Angle-Poised Ride.

There are countless other worth-more features, from the smoothness and long life of Ford's deep-block engines to the colorfully fresh new beauty of Ford's Luxury Lounge interiors. A Test Drive will show you how many there are.

Ford's worth more when you sell it... and used car prices prove it! For years, Ford cars have returned a higher proportion of their original cost at resale than any other low-priced car. And that's further proof that Ford's first in all-round, long-lasting value.
