Financial Aid Available To El Camino Students

Wives of El Camino College faculty instructors will provide financial assistance to financially embarrassed students of the College from a loan fund recently established by the Faculty Wives' organization.

Complementing the Don Hall Frame memorial loan fund, the new financial provision will permit students to borrow enough money for such immediate necessities as books, supplies, or meals. "The fund is designed to help prevent students from dropping classes and sometimes entire programs because of the temporary need for money," Merl F. Sloan, director of student personnel explained.

Established on March 31, the fund was immediately placed in operation as a student received a loan on the first day.

Chairman of the committee working on wives' project is Mrs. John McQuerry. Her committee members are Mrs. Albert Karr, Mrs. George Gerber, and Mrs. Leo Christian. Mrs. Stanley F. Wilson is president of the Faculty Wives' club.

All loans to students, both from the Don Hall Frame memorial fund and the new loan facility, will be processed through the Student Personnel office. Application forms must be filed with and approved by Sloan or an assistant director of student personnel.
