Few Openings Remain For Community Fair Candidates

Although the number will be limited, there is still room for a few more candidates for Queen of the Jaycees-sponsored Torrance Community Fair, to be held July 13-17, Fred Hansen, outgoing president and member of the Fair committee, said yesterday. Girls over sixteen are eligible when sponsored by a recognized Torrance organization, and big prizes will be offered the candidate, while the backers will receive choice of concessions at the Fair.

Site for this second annual event will be the sizable tract at 220th and Western avenue.

As soon as candidates sign up for the race, an official portrait will be made, and the whirl of activity will begin for them. May 31 is the absolute deadline

for entrants, as tickets will be given out on that date. Anyone desiring information about the contest should call Hansen at FA. 8-5949 or Lloyd Familo, general chairman of the Community Fair, at FR. 4-3443.

Pittsburg Crushed by Legion 13-6

American Legion Softball team crushed Pittsburg Paints 13-6, and Longren Aeros swamped Dow Styron 11-0 in the opening games of the Torrance Recreation League staged last Monday evening on the Torrance park diamond.

H. Dooley and Paul Moser, pitching for the Legionnaires in the first game, shared a six-hitter between them as their teammates were combing the slants of R. Hester and R. Moon for 13 bingles in the seven inning contest.

Leads Attack

Third sacker Gordie Smith featured the hitting attack of the winners, garnering a single and two doubles in four times at bat.

First baseman, Richard Lindberg, smacked a two-bagger to left to rack up the only extra base blow collected by the losers.

In the second game, Nick Dellan tossed one hit ball, in five frames on the hill, and Don Sticklely followed suit in the last two innings combing their tossing chores for a two-hit shutout of the Dow nine.

Leads Longren

Leading the Longren team's

winning attack at the plate was for a total of 2 hits in four attempts. Big Don Sticklely, who slashed a two run homer to right in the first inning and a hot single through the box in the third, after throwing a few innings game, pitched neat six nitter for the losers, only to become the victim of eleven errors in the field by his teammates.

Dr. Daniel Colin Munro, M.D., says:

"I have never seen a case where a long series of enemas or irrigation failed to improve later bowel activity. I believe that the chief value of this therapy, however, is not in simply emptying the colon, but in cleansing degenerated and infected areas in the bowel wall, which are more or less common to adults, areas through which infection and toxins enter the lymphatics and blood stream, carrying disease to our heart, liver, kidneys and other organs."
