

Explorer Post 219X was honored recently by having George Powell, assistant director of civil defense, give a talk on the scout program in affiliation with the Civilian Department of Defense, at their regular meeting.

Powell highlighted and explained to the boys their particular function in assisting the Torrance area for emergency purposes, and how they fit into the program in doing various jobs.

LOOKING BACK... but only for the picture are Robert and Richard Greenwald, new owners of Twin Pontiac, 505 Pacific Coast Hwy., Hermosa Beach. Claim the twin brothers. "We're looking forward to selling Pontiacs in this area. We feel it is the car to sell and that this is the fastest growing area in Southern California." The twins bought out Hohman and Hadenfeldt. Grand opening festivities are slated for the end of the month.

Twin Pontiac Dealers Slate Grand Opening

Richard and Robert Greenwald, twin brothers-owners of the new Hermosa Beach sales agency, Twin Pontiac, 505 Pacific Coast Hwy., announced that the grand opening for the dealership would be celebrated Friday, Saturday, Sunday, June 3, 4, and 5.

Special activities and prizes are scheduled for the three day event according to the brothers who revealed that Gordon Gray, noted Hollywood master of ceremonies, is handling the arrangements for the lineup of talent.

Included in the names to appear are Alibi Terhune and Elmer, Eddie Cletro and his KTLA Western Band, Jimmie Wideners band with Tex Achison and Bozo the Clown.

Endeavoring to bring the finest in available talent to the South Bay, the brothers are still negotiating to add additional talent to the weekend's festivities.

Plans for a final meeting and luncheon at the home of Mrs. Carl Cramer on June 2, were discussed at the recent Waleria P-TA board meeting.

Mrs. W. T. Allen and Mrs. Johnson of the Waleria P-TA will attend the dental health dinner on May 24 in Torrance.

Stevens, meanwhile, predicted a record would be broken for new Pontiac sales during Twin's "Get acquainted sale" which is presently in progress.

Health Classes Still Open

Although the first of the current series of expectant mothers' classes started May 12, prospective parents may register at any time, according to Dr. B. A. Kogan, District Health Officer for the County Health Department, the sponsoring agent for this educational service. "Human Growth" a film showing the development of the human organism from mating through pregnancy and birth, then from infancy through childhood and adolescence to the adult form, has been booked for the May 19 class, the Health Officer said. The classes meet each Thursday at 1 p.m. in the Torrance Health Center, 2300 Carson street, and there is no charge for this tax-supported program.

National Geographic Set Given Schools

A complete set of National Geographic magazines covering a period of 30 years was donated to the Torrance school district by Mrs. Olive Taylor, mother of Dr. Howard A. Wood.
