

Recommmend Funds For Lomita Blvd.

Funds totaling \$123,600 for the paving of Lomita boulevard from Western to Narbonne avenues today were recommended for inclusion in the County's 1955-56 budget by Supervisor Burton W. Chace. According to Chace, the money will provide a 48 foot wide paved roadway in addition to six foot shoulders between the two thoroughfares. Plans and specifications for the improvement were financed in the 1954-55 budget. The Supervisor pointed out

that construction of storm drain facilities needed in conjunction with the project are already completed, and that the County has already contributed \$23,500 to the City of Los Angeles for the improvement of a 300 foot strip westerly of Western avenue in Los Angeles City.

Mesdames Roy Dohner and T. R. Jackson gave a resume of the state P-TA convention at a recent meeting of the Perry school P-TA.

Cerebral Palsy Center To Be Established Here

Of interest to parents of cerebral palsied children in the South Bay area is the newly formed Cerebral Palsy Center, Inc. The purpose of this group is to establish a day care center for their own and other cerebral palsied children. The center would offer treatment and training under medical supervision. Much of the world would be on a volunteer basis. Inquiries should be addressed to 3410 W. 172nd Street, Torrance.

I'm warning all Ford owners to stop at Mobilgas stations and get entirely new grade Mobilgas

7 out of 10 owners of pre-1955 Fords and many other cars get smooth, knock-free mileage with new grade Mobilgas which sells in the price range of regular. Just look for this sign.
