Torrance Girl Scouts of Troop 1719 won rounds of applause as well as recognition for Torrance as they marched with the troop sponsors, the Torrance Mounted Police, in the Sheriff's Parade at Riverside last Saturday. Wearing their bright green uniforms, sparked by white shoes and gloves, the troop carried the new troop flag and two new patrol flags, as they proudly marched, the only Girl Scout troop in the parade.

Dr. Daniel Colin Munro, M.D., says:
"I have never seen a case where a long series of enemas or irrigation failed to improve later bowel activity. I believe that the chief value of this therapy, however, is not in simply emptying the colon, but in cleansing degenerated and infected areas in the bowel wall, which are more or less common to adults, areas through which infection and toxins enter the lymphatics and blood stream, carrying disease to our heart, liver, kidneys and other organs."
