Mrs. Lester King, Torrance city chairman for the Sister Kenny Foundation's annual fund raising campaign in May, has announced the enrollment of Theta Nu Chapter of Beta Sigma Phi to participate in the drive this month.

Mrs. Jeanette J. Nincevic will serve as Sister Kenny Day chairman for the Theta Nu chapter of Beta Sigma Phi. She will recruit workers for the month-long Sister Kenny drive.

Enrolled clubs will work toward a Gold Candle or Silver Candle Award to be presented at the second annual Recognition Day Breakfast at the Staller Hotel on June 20. A Gold Candle pin will be presented again this year to the woman whose work is most outstanding in behalf of the Sister Kenny campaign.

AT SORORITY CARNATION TEA

ing near and the non-vaccinated public in the vast majority, we in Torrance, must help the Sister Kenny Foundation raise the \$550,000 needed for continuation of the Sister Kenny Polio Hospital," Mrs. King, Torrance city chairman, said, urging those not contacted by a Sister Kenny volunteer to mail their contributions to Box 3131, Hollywood.

Hawaii Films Entertain at 259th P-TA

Those in attendance at the May P-TA association meeting at 259th Place School, were taken on a tour of the Hawaiian Islands through the color slides of Roland Holland, a part time student at Harbor J.C. Holland spent a month in Hawaii and recorded his trip in photographs of brilliant island colors. Of particular interest were the many varieties of flowers and the types and methods of agriculture.

During the business meeting, Mrs. W. E. Zell, president, presented a check for \$133.65 to Miss Frances Dastarac, principal, for the school's share of the proceeds from the very successful ice cream social. Miss Dastarac announced that the children will put on a paid entertainment June 10.

A report on the CCPT convention was given by Mrs. R. E. Pramin and Mrs. C. R. Chitwood. "Teamwork Does It" will be the state theme for the 1955-56 year.

The flag salute was led by Susan Farwell and Barbara Stanton.

Fashion Notes

By MARY BARRETT, Women's Editor

New Coats Feature Unusual Appeal

The continental influence has inspired so many of the new fashions, but the coat styles have borrowed a new elegance and casual flair that is so appealing as well as comfortable, they will suit all ages and all types.

CUFF COAT . . . California designer features a shortie in hopsack wool in pale and shock colors that goes equally well over formal or casual.

Short or long, the slim straight line is accentuated . . . any flare is modified by wide shoulder detail of either yoke or collar. No more long bulky sleeves to get in the way . . . they either roll up, push up, or are just cut shorter! Add most of the sleeves are cut-in-one with the coat.

The collars, if any, are flat, flyaway, or buttoned down. The no-collar styles are finished with a smart cardigan binding, up, down, and around, or just a suggestion of a mandarin-type stand up neckline.

Colors and Fabrics
The variety in colors and fabrics is really something to dream about. Pale and shocking colors are being highlighted in woolsens, cashmeres, and cashmere blends, as well as cotton.

The cotton coats have a new urban sophistication . . . some even look like silk, wool, or brocade! The new Pima cotton coats are water-repellent and crease-resistant, making them perfect travelers, too. For a good late day look at resorts, for instance, picture a long black cotton piped and stitched in white.

Multi-occasion Coats
The best feature of the new coat styles is their versatility for all occasions. The fluidity of line in either the cottons or the luxurious cashmeres and woolsens, makes them as appropriate over a formal as covering the casual.

The only problem is picking your favorite color, which will undoubtedly travel in very friendly fashion with all your other favorites.

Dr. Daniel Colin Munro, M.D., says:
"I have never seen a case where a long series of enemas or irrigation failed to improve later bowel activity. I believe that the chief value of this therapy, however, is not in simply emptying the colon, but in cleansing degenerated and infected areas in the bowel wall, which are more or less common to adults, areas through which infection and toxins enter the lymphatics and blood stream, carrying disease to our heart, liver, kidneys and other organs."
