LIKE MAGIC... "We had weeds growing on our lot one day, and the next day we had a house there," says Mrs. F. Buchanan, as she accepts keys to her "moved-on" house from a representative of the Atlas House Moving Co. The firm, which is located at 14215 S. Western ave., in Gardena, has hundreds of houses just waiting for lots. Many of the buildings are displayed at the Western ave. lot.

Vacant Lot Sprouts House Over Night

"Thank you," says Mrs. F. Buchanan to the Atlas Co., house movers, located at 14215 S. Western ave. "My husband and I never gave much thought to having a house moved onto our property until we saw the Atlas Co. advertisement telling how anyone could buy a home, have it moved to the front or rear of property with no money down and payments less than rent.

"We were more surprised to know that we could move a house and get it all fixed up without using one cent of our own money. And, best of all no payments for four months. "We now rent this very same home for \$85 per month, and pay only \$40 per month to the Atlas Co. We are actually earning \$45 each month for just making use of that vacant space on our property.

"It is a lovely two-bedroom home with hardwood floors, tile bath and kitchen and was completely redecorated inside and out. It looks just as good as new. All we had to do was put in the foundation and connect the plumbing to the sewer and it was ready. All this was done in only three short weeks from the time it was moved onto our lot.

"We want publicly to thank the Atlas Co. for their co-operation and service to us."

—Adv.
