

Clark Markets Offer Free 17-Day Vacation

Clark officials today announced that a spectacular 17-day Caribbean cruise for two absolutely free will be awarded to a lucky winner.

The drawing will take place at the Clark Torrance Market on Monday, July 25, at 7:30 p.m. Miss Torrance of 1955 will draw the lucky ticket and free ice cream, coffee and cookies will be served at that time.

Everyone is eligible and tickets are available at all Clark Markets for the drawing. No purchase is necessary and there is no contest involved. All that

Kiwanians Plan Division 19 Stag

Bowling and golf tournaments followed by a Fellowship Hour and dinner are scheduled when the Torrance Kiwanis club participates in the annual Division 19 stag set for Thursday, July 21, at the Western Avenue Golf club, according to Steve Stephens, editor of the club's weekly newsletter.

The local Kiwanians have led all other clubs in Division 19 for the past two years in attendance at the annual stag affair, Stephens said. He stated that if the organization leads in attendance this year, the division's perpetual attendance trophy becomes the permanent property of the club.

PH GROUP ENDORSES RABIES ACT

In an almost unanimous vote the members of the Pacific Hills Homeowners, attending Monday's meeting of the organization, moved to endorse legislation for compulsory vaccination of Torrance dogs against rabies.

According to Mrs. J. P. Jones, press secretary, the group resolved that in view of the fact that the presence of rabid dogs in any area is a menace to all residents, particularly children, an ordinance compelling the vaccination of dogs would serve the best public interest.

Local Company Joins Institute

Pacific Smelting Co., Torrance, has been accepted as a member of the Southern California chapter of the Institute of Scrap Iron & Steel Inc., Washington, D. C., it was announced today by Edwin C. Barringer, executive vice president of the Institute.

The Scrap Institute is the national trade association of the iron and steel scrap industry, which supplies iron and steel scrap to steel mills and foundries for the manufacture of new iron and steel.
