

Realty Firm Opens New Building

Parkview Realty formally opens the beautiful new building housing the offices of the firm today, according to announcement made by Clayton T. Hobba, owner of this long established realty business which has been serving Centinella Valley real estate buyers and sellers for a number of years.

The new building, located at 16000 Crenshaw, opposite El Camino College is a block south of the previous location of the firm, and presents the latest in

modern facilities. Easy head-on paved parking extends across the frontage of the building with added parking in the rear. Faced with colorful field stone, the structure presents a modern and pleasing facade, topped by a sparkling white rock roof, atop which is a spectacular Parkview Realty neon sign.

Large special non-glare plate glass windows and glass entrance doors open into the main lobby and business offices. A similar treatment of wide windows, and glass doors opens from the main rooms to a paved patio in the rear which is furnished with modern, outdoor furniture and planted with tropical foliage.

In addition to the main offices there are several private offices and all rooms are furnished with specially designed office furnishings which blend with the colorful interior decor.

Among other features is a complete inter-office communicating system, a telephone message recording system which operates automatically when offices are closed and records messages clients wish to direct to members of the staff for later attention. The entire building is also air conditioned

Thursday, July 21, 1955

with the latest air conditioning equipment.

Realty transactions which Parkview Realty has conducted in past years, according to Hobba, have reached a yearly gross of anywhere from \$1,000,000 to \$3,000,000.

Home Burglarized

Two bottles of whiskey were stolen from the home of John Melville, 1512 El Prado some time over the week-end, according to police.

NEW OFFICES . . . Parkview Realty will open its offices formally today at 16000 Crenshaw Blvd. The new building is located opposite El

Camino college. The structure presents a modern and pleasing facade, topped by a sparkling white rock roof.

WINNER . . . Mrs. H. J. Osborne, winner of a free trip to Hawaii at the Torrance Community Fair, announced that in lieu of the trip the cash value, \$750, will be donated to the Lions charity fund.

Fair Prize Donated To Lions Club

The charity fund of the Torrance Lions Club was enhanced \$750 this week, when Mrs. H. J. Osborne, winner of a trip to Hawaii, donated the cash instead of the trip, and turned the money over to the club.

Mrs. Osborne, who is president of the Torrance Lionesses, was the lucky winner of a free trip to Hawaii last week-end at the Torrance Community Fair.

Better Use Mrs. Osborne told Fair officials that the ticket had been bought at a Lions Club charity dance, and that she felt the money would be better used in the many charitable projects of the club.

The ticket was drawn on Sunday night at the close of the fair, by a two-year-old child lowered into a giant drum containing the ticket stubs.

Attendance Officials of the Torrance Junior Chamber of Commerce, sponsors of the fair, disclosed that attendance at the five-day function was estimated at 21,250. Nine other civic and service clubs assisted the Jaycees with the fair.

All participating clubs operated a concession on Gold Gulch. The clubs will keep the proceeds of their concessions and booths. Overall profits will be divided, half to the sponsoring Jaycees and half to the nine assisting clubs.

Wins Trip Reigning Queen of the Fair was Miss Virginia Gotts of the Torrance Lions Club. Along with many other prizes, the Queen received a trip for two to Mexico City.

Results of the rodeo staged by the Torrance Mounted Police in conjunction with the fair were disclosed by Sgt. D. C. Cook, of the police department.

Two Torrance rodeo riders won top honors. Tex Rudolph took top place in the calf roping competition, and Rudolph and Joe Johnson won the team steer roping test.

Thief Takes Extraordinary Baby Buggy

Mrs. Robert H. Carter of 22402 Meyler street, Torrance, was all upset this week because her baby buggy was stolen.

Aside from the fact that she does not appreciate having anything stolen, this happened to be a very extraordinary baby buggy.

"It was a big gray English wicker stroller which holds two babies. I'm very attached to it and it took me one whole year to find it—they just don't have these kind out here," Mrs. Carter explained.

Mrs. Carter used it for her two girls, 21 months and 9 months old. The stroller was taken Friday night, July 15, from in front of the Carter home.

Lt. Brier At Ft. Ord

Lt. Col. Hubert L. Brier who teaches at Howard Wood school in Torrance and who lives at 122 Camino de los Colinos, completed a two weeks period of military duty at Fort Ord re-

cently. Colonel Brier is executive officer of the 6218th ARASU Reception Station and his unit trained with the 6023rd SU Personnel Center.
