## Dear Editor...

**Protests Meeting**  
Editor, Torrance Press  
I would like to have a little space in your paper to say what I went down to the Council meeting to say, but me didn't get a chance to speak. The Mayor said he didn't want to stay all night, so the side that is against rabies didn't get as much time or as many people to speak against it. The Mayor was not very courteous to the out-of-town guest and as far as I am concerned they are making it sound a lot worse than it is. If they would enforce the leash law and would put their time tracking down sex fiends and dope sellers I think we would have a much nicer city. Why worry about 20 people being bit by dogs when we have drunken drivers killing more children than dogs and dope sellers are ruining more young people than the rabies kills children. If we have had 20 dogs go mad it is a very small percentage to the population of Torrance and the surrounding towns. Not that I would like to have dogs going mad or children being bit but if the people would look after their dogs correctly in hot weather to keep them tied in the shade and keep plenty of fresh water we wouldn't have so many mad dogs. I have had dogs of my own for 50 years, and never had one go mad yet and was never bitten by a mad dog. If they would quit making a racket out of everything to please some people we could be a lot happier as we never know what they are going to pull on us unexpected so we have to be on our guard all the time so we won't be tramped down by a few people. They let a Redondo preacher speak 15 min. against it but when a lady from out-of-town wanted to speak they hadn't any more time left. I understand it would be a special meeting about rabies, but council took from 730 until 910 for their meeting and then the mayor wanted out at 10:30.

Yours,  
MRS. R. W. BOWES,  
1622 Elm Ave.

An eleven inch sportsmanship trophy will be put on display next Monday night, August 1, to be given away at the Softball Banquet on August 25, at McMaster Park.

This trophy was donated by the Gardena Sporting Goods, recreation department officials said.
