

NEW SENIOR REGENT . . . Mrs. Peggy Peacock, left, accepts the gavel of office of senior regent of the Women of the Moose from outgoing senior regent Joyce Clay. The installation ceremony was held recently at Moose Hall in Torrance. Mrs. Wilvert Heiman, former regent of the club, conducted the formal rites. Installed with Mrs. Peacock were Dolores Olson, junior regent; Virginia Jenkins, chaplain; Marie Koshck, recorder; and Ethel St. Germaine, treasurer.

Zone Plan For Rolling Hills Oked

A minimum of 7000 square feet per lot will be required under a master zoning plan for approximately 6000 acres of land in Rolling Hills. The zoning plan was approved by the County Regional Planning Commission this week after 18 months of haggling and compromise.

Annexation

The land in question was, late last year, offered to the City of Torrance for annexation by the principle owners of the property, the Great Lakes Carbon Corporation. The annexation plan fell through when the company backed off under pressure from residents of adjacent Rolling Hills.

A spokesman for the Regional Planning Commission said lot sizes will vary from 7000 to 20,000 square feet minimum and a limited amount of highly restricted commercial area was included.

Quarry

Also a quarry zone was granted to Great Lakes Carbon to operate its diatomaceous earth mine at Crest road and Crenshaw boulevard.

A highly restricted commercial center was allowed for near the mine site.

In other action, the planning commission approved a change of zone allowing 20,000 square foot lots in specific isolated areas near the boundaries of the Rolling Hills Community association. The areas formerly were zoned for lots of at least one acre.

Children Hold Hobo Parade At El Nido

Rags, tatters and bundles tied to sticks were seen in plenty last Tuesday, when youngsters from the El Nido school playground staged a hobo contest. The contest was under the direction of John Ashley and Mrs. Dorothy Nical, recreation leaders.

Kathie Sexton took first prize for the most effective hobo costume. Ronnie Heller was second and Carolyn Sexton placed third.

During the week, the children also staged a bicycle rodeo at the playground. Events included sprint races, newspaper throw, obstacle race, marathon and slow races.

Winning cyclists for the under age 10 group were George Muniz and Terry Fuller, tying for first place. Mike Johnson and Charles Troop tied for second. In the group from 10 to 13 years of age, Dale Nicol came in first. Jim Kimberly and John Sible tied for second.

Honorable mentions went to all youngsters whose bicycles were decorated. Riding decorated bicycles were Frank Wells, Johnnie, Lois, Bobbie, Billy and Jimmy Paris, Terry Fuller, Harry Harris, Bonnie Hembeck and Christine Hillian.

IGNORE STATE ON SLOUGH

City and county officials have decided to go ahead with development of Bixby Slough into a regional park without state aid, it was announced Tuesday by the office of Councilman John Gibson.

The announcement indicated that the local officials have tired of prolonged waiting for the State Wildlife Conservation Board to act on a request for a \$100,000 contribution to the park development fund.

The city and county already have allotted \$300,000 for acquisition of slough land now in private ownership. A third is budgeted this year and the remainder already has been appropriated from budgets of the past two fiscal years.

Guests accompanying Mrs. Pruett were Janet and Fred Blencowe and Barbara and Margaret Pruett.

Foleys Enjoy Camp Trip

Mr. and Mrs. Francis Foley, and their children, David, 3, and Margaret Ann 1, have just returned from a 10-day camping trip to Bass Lake.

The Foleys and a party of three other families spent the ten days camping, water skiing and boating.

Accompanying the Foleys, who reside at 1650 W. 204th st., were the Harry Lorenzens and the Robert Culbertsons of Lakewood, and the Garth Melow family of Windsor Hills.
