which is now occupied by newly constructed homes.

"The Glenburn avenue drain will be particularly welcome to residents along Glenburn and 171st street who have experienced flood conditions with almost every rain-storm," Chace said. He explained that a short lateral line will be extended from the concrete invert at the street's center line.

Detailed plans to detour traffic through or around construction areas while work is in progress have been worked out to cause as little inconvenience as is possible, the Supervisor stated.

Plans for the project were prepared under the direction of Torrance City Engineer Ronald W. Bishop and construction supervised by Flood Control District engineers, Chace added.

### Marsh To Be Sentenced For Robbery

Joseph T. Marsh, 24, of Gardena, was found guilty of first degree robbery Monday and was ordered to stand jury trial in Long Beach Superior Court September 1.

Marsh and two accomplices were arrested for the robbery of the Waleria Liquor store, 24212 Hawthorne avenue, May 3, according to Det. Capt. Ernie Ashton.

The two others pleaded guilty earlier. Arco Ellison of Compton was sentenced to one year in the county jail Friday, while Otto Friedli of Riverside received a sentence of one year to life in the state penitentiary, according to Ashton.

The three got away with \$75 in cash.

### Local Legion Team Plans Field Trip

Sunday, August 14, Wrigley Field will be the scene of Wrigley Field Day. The local American Legion baseball club, sponsored by the Torrance Recreation Department, will be guests along with all of the American Legion teams in Los Angeles County.

The local Legion Post No. 170 has chartered a bus for the event. The team will board the bus in front of the Civic Auditorium next Sunday afternoon at 12:30 p.m.

All local Legion members are urged to attend and see the game of baseball between Los Angeles and Hollywood.

### Children Get Lesson on Swim Safety

The children at El Retiro Park hiked to the Torrance Beach, August 2, where they went through the lifeguard station and learned how to swim safely in the ocean.

Dick Garrett, Lifeguard, explained how a lifeguard station is operated and the duties of the lifeguards. After a tour with the lifeguards, the children ate lunch, then explored the beach. They then enjoyed an hour of swimming after which they hiked home, under the supervision of Lois Fitzgerald and Marca Wright, recreation leaders.

### Nix Expansion Of Malt Shop

Request for expansion of a malt shop at 2121 West Carson street was denied by the City Council Tuesday night.

Making the request was Edwin Longacre. The Council concurred in the Planning Commission's recommendation for denial.
