

WALTERIA SEALS EMERGE CHAMPS

The Walteria Seals defeated Torrance park to take the city Pee Wee championship Saturday, August 20, at Walteria park. Although the final score was 11 to 4, the game was very close.

Two costly Torrance park errors helped the Seals score 5 runs the first inning. From then on, the game was closely fought. Terrific fielding support enabled John Zack to pitch another win.

The hitting power for the Seals was provided by John Wojcek, Wayne Kirtly, Bob Zack, Gerry Brannon, and John Zack. Each of these Pee Wees blasted 2 hits apiece. Steve Waters, Greg Velone, and Jim Evans each got 2 hits for Torrance. Fielding stars of the game were Wayne Kirtly of Walteria and Danny Kling of Torrance. Both of these boys made sensational plays for their respective teams.

Individual trophies will be presented to the victorious Walteria Seals on September 15, at a Father and Son Banquet. Those receiving trophies are: John Wojcek, Wayne Kirtly, Bob Zack, Gerry Brannon, Gary Clements, Lloyd Harline, John Zack, Eddie Ryland, Stewart Rose, Steve Zack, Mark Sleeth, Mike Chambers, and Charles Crossan.

ALL STARS SEIZE CHAMPIONSHIP

The Crenshaw All Stars 10-inch Softball Team won the Northern Torrance Pee Wee championship at McMaster Park. The Stars now have a record of 12 wins and two losses which includes 10 straight wins.

Attackers Win, 4-2, Over Angels

The Torrance Park Pee Wee 10-inch softball team won the first game in the city-wide play-offs from the Crenshaw "Angels."

The Torrance Park "Attackers" accumulated an early lead and the game turned into a real thriller when the Crenshaw Angels almost overtook the Torrance Park "Attackers." The final score was 4 to 2.

Clark Hunt, Torrance Park pitcher, played an outstanding game on defense and was probably the game's deciding factor. It was a relatively small score in comparison with most Pee Wee Games, usually hitting 15 or 20 runs a game.

Trimlew and Hosea hit home runs for the Angels and Evans hit one for the Attackers.

Slo-Pitch Fire B's Champions

Torrance Fire Department's "B" battalion slo-pitch softball team, Blue Streak League champs, captured the Torrance city championship by downing the Legion, service club winners, in two straight games.

Following Monday's 7 to 2 victory over last year's city titlist, the fire-eaters carved out the clincher with a well-earned 2 to 1 win at Torrance park last Friday evening.

Bob Moffitt pitched both wins, holding the usually potent Legion batters in check in both contests.

He allowed but seven hits in the first game, which were all singles, and but five hits in the second game, all of these being of the one-base variety, with the exception of Bob Ernst's triple to right scoring Bruno Giacomi in the last inning.

Manager Bob Ward was the big stick man for the winners.

The All-Stars won the first game of the play-offs Tuesday afternoon, August 16, by the score of 10 to 4, against the McMaster Park Lemons.

The Stars got an early lead of 8-0, sparked by Richard Groomes' home run and the extra base hitting of Larry Stevenson.

Douglas To Hold Golf Tournament

Douglas Aircraft's annual California inter-plant golf tournament will be played at the Western Avenue Golf course, 12009 South Western Avenue, on Sunday, September 11, it was announced this week.

Four teams of 32 men each will be in the competition to decide the inter-plant champions. Participating will be teams from the company's Santa Monica, El Segundo, Torrance and Long Beach plants.

The play will be divided into four flights, with eight-man groups representing each division in each flight. The title, which was won last year by the Long Beach division, will be determined on a point basis, with credits being scored for each bogie, par, birdie and eagle. The championship play will be followed by dinner at the Western Avenue Golf course, and presentation of trophies. Les Ash is tournament chairman.

Ford 6 1/2-ton Pickup gives choice of Short Stroke 132-h.p. V-8 or Short Stroke 118-h.p. Six. Tubeless tires standard. Fordomatic Drive and Power Brakes available at low extra cost. GVW 5,000 lbs.

Best Pickup buy—Ford! Best time to buy! and here's why!

America's lowest-priced V-8 Pickup is the sweet-handling Ford F-100. No other Pickup can match it for exclusive features that save time and money. And there'll never be a better time to trade and save on a new truck. Ford Trucks are first in sales. Ford Dealers aim to keep them that way. To do so, they're offering the best truck values of 1955!

Only the Ford Pickup gives you modern Short Stroke power at no extra cost. Short Stroke design reduces piston travel. This means less wear, more usable power from your gasoline, and longer engine life.

Here are just a few of the many more features that ONLY FORD gives you in a Pickup! Biggest standard body of any 6 1/2-ton Pickup—45 cu. ft. The strongest frame and greatest axle capacity of the five leading makes. Biggest brakes. TRIPLE ECONOMY, with... 1. Short Stroke power, V-8 or Six. 2. Driverized Cab for easier working. 3. Top load capacity!

CONSTIPATION FAST PROVEN METHOD RELIEF IN 20 MINUTES

Learn the true facts of disease. Many people constantly complain of stomach disorders, such as gas, bloating, burning of the stomach, abdominal cramps, nausea and vomiting, when in reality, the lower part of the bowels is to blame. It is a well known fact that most distress in the abdominal region is self diagnosed as stomach trouble. This misconception is a natural one. Constipation results in the formation of large quantities of poisons that gain entrance into all parts of the body by means of the

blood stream and lymph channels. The effect is the same as it would be if you were to swallow a dose of poison every day. The first and last thought in the mind of most people when they become constipated is to take a physic, yet no physic was ever made that would cure constipation. Continued use of physics leads to definite ailments of the colon itself. Stop fooling yourself. Know the true facts of disease. Life or Death can be due to neglect of your physical condition.

HEART

Over half of the deaths in the country are due to Heart and Blood Vascular disorders

GALL BLADDER

The Gall Bladder is of interest clinically only when it becomes infected or otherwise is injured. Under such circumstances it no longer concentrates bile in the normal manner but pours out a fluid which differs greatly in composition from the normal Bile; or it harbors a stone which causes

trouble or perhaps when it is the site of a malignant growth. Fully one half of the patients who come to me believing they have stomach Ulcer or gastritis are really affected with some form of Gall Bladder disorder.
