tion was unable to counteract the poison.  
**Note**  
According to a note left by the dead man, he was despondent over ill health, apparently cancer.

The note read:  
"Nobody fault . . . just can-

cer. See them. (s) Tom.  
"What a fortunate death . . . ends it because I can't help it. I never called police. Elsie did. Sorry for all I have caused you."

A native of England, Watson had been retired for some time. He was a Torrance resident for the past three years.  
He leaves his widow, Lillian; Hal P. Wilson, of Compton, a stepson; Mrs. Lois Simpson, of Lakewood, a stepdaughter, and seven grandchildren.

Rev. Nathian Bond, assistant pastor of the First Baptist Church, officiated at final rites. Burial was at Sunnyside cemetery, Monday.

**Students . . .**

Francis Stoeckle, of 2612 West 175th street and their three children, Donna, 12, Nancy, 10, and Dickie, 6.

Gloria is living with Mr. and Mrs. Frank Lane, 1531 El Prado, and their two children, Linda, 17, and Tom, 11.

Linda is very much interested in studying Spanish and feels it will be fun to have someone who can really speak it living with her.

**To Attend Torrance Schools**  
Gloria, who will attend Torrance high school, heard about the American Field Service Scholarships on the radio and decided to apply. She has studied English for two years in schools and has had two years of tutoring privately.

Her father, Colonel Jesus M. Montesinos, is an officer in the Spanish airforce, and one of her brothers serves in the Spanish navy. She also has a 21 year old sister and 10-year-old twin brothers.

Arry, who will attend North Torrance high, heard about the scholarships through an announcement in school. He has had four years of English, French and German.

He plans to return to Holland at the end of the year to take

offices at 1427 Marcelina, was born and raised in Torrance. Although this is his first work with the Community Chest, he has been prominent in numerous other civic activities. He is a member of the board of directors of the Torrance Rotary Club and a member of the Torrance Unified School Board. Dr. Bay has also worked with the Boy Scouts, a Chest-sponsored agency.

his two-year army training and then go into the import-export business.

Arry's father is a candy factory representative and he has a brother, who is an architect, and a sister.

The two students docked in New York City and were much impressed. Arry's reaction was, "Oh, gee!" adding that he had never walked so much in his life.

Gloria particularly enjoyed the bright lights, Broadway, the Empire State building, the theaters, and, with a typically feminine view, the many stores. Both commented favorably on how well dressed American women are.

be submitted to the Board of Supervisors.

Promise of such a survey was made in a meeting June 10. It is now September 1 and no such survey has been made.

"This matter was referred to the Chief Administrator's office," Richard Newton, field representative for Supervisor Chace stated Monday. "I know that a lot of time has passed but there has been a change of personnel which has caused the delay. We've been prodding them for a report and a comprehensive study."

**The Road to Redondo**

In the meantime, Torrance residents must continue to go to Redondo Beach to pay their fines and Torrance police must waste valuable time, manpower and money transporting prisoners to the Redondo Court.

This, despite the fact that Torrance's population will eventually top that of Pasadena,

**Rabies . . .**  
(Continued from Page 1)

for the Control of Rabies indicated that individuals who wish to sign the petitions or individuals who would like to help circulate petitions may contact one of the following: Mr. and Mrs. Neil Kanawyer, co-chairmen, 4323 West 176th street, FR 4-5037; Mrs. Ruth Vaughan, telephone chairman, 1724 Juniper, FA 8-7874; Mrs. Lucerne Hamer, secretary, 302 Calle de Arboles, FR 5-3923; or Mrs. Herma Tillim, FA 8-5368.

Petitions read: "We the undersigned urge the City Council to pass a law requiring the vaccination of dogs against rabies."

The group warns individuals to read petitions carefully since

Glendale, Burbank, and Santa Monica, all of whom have their own municipal courts . . . as well as superior courts.

it was believed that another and dangerous Pasteur treatment, which is the only protection against the possibility of rabies, a disease which is always fatal to man or beast.

A total of 191 rabid animals have been reported in California this year. Of those, 100 died of rabies in Los Angeles county, all of them dogs.

Since January of this year, 13 rabid dogs have been picked up in the Torrance area, of which five were from Torrance. A total of 79 residents in the South Bay area, 24 from Torrance, were bitten or had saliva contacts with these dogs and had to undergo painful, costly,
