TO YOU THE PEOPLE OF GARDENA MANY THANKS

Many of you have met me in my small market at 1650 W. Redondo Blvd. in Gardena where I was doing business as the Congo Fish Market. Now after years of planning and saving—and due to your support in the past—I am able to offer you this unique Super Market. You will find more features here under one roof than in any other store in Gardena.

We have grown together here. Our faith in the area and in the people of Gardena is justified by the tremendous growth not only in residences and retail stores but in the success of many manufacturing concerns.

It's a wonderful place to work and a wonderful place to live.

AGAIN... MY THANKS.
