

### Cerebral Palsy Center To Accept Applications

Plans to open a non-profit cerebral palsy center for children at 1217 Cravens ave. in October moved forward this week with the announcement that applications for physical examination appointments will be received at the center Saturday, October 1, from 9 a.m. to 5 p.m. and Sunday, October 2, from 12:30 to 5 p.m.

Thus stated Mrs. Frank Coulson, president of the non-profit organization and the first of its kind in Torrance.

"We'll start with 10 children," Mrs. Coulson said. "We'd like to take care of all of them if we could and eventually we hope to be able to handle many more. Children of the South Bay area who have cerebral palsy are eligible."

Purpose of the center is to offer treatment and training and to live up to the motto: "To establish their independence, earn their own living, and pursue their own happiness."

Physical therapists will be hired but volunteers will also be sought to work with the therapists.

"All money which will be collected, Mrs. Coulson stated, "will be used for hiring therapists and purchasing equipment and material."

Acting medical director of the group is Dr. Nathan Kaplan.

#### Permanent Location

While permission was granted to open the center by the planning Commission, the commissioners specified that the group should make every attempt to find a permanent location as soon as possible.

"We are hoping the someone will be generous enough to contribute some land to us and we hope that we might find a contractor who would be willing to supply us with a building," Mrs. Coulson stated hopefully.

For additional information regarding the group, individuals may contact Mrs. Frank Coulson, 5703 Budlong, Los Angeles, MA 6-7641 or leave a message at DA 9-1559.

#### City Playground Here

Normandale Playground, 22400 South Halldale, is a facility of the City of Los Angeles. Permits for the use of building or fields may be secured by contacting the directors.
