

### Dr. Tarr Announces Expansion

Dr. Ernest Tarr, credit dentist, whose offices are located at 1311 1/2 Sartori, announced this week the addition of three more operating rooms and the addition of a laboratory at his location.

"All our work is now done on the premises," Dr. Tarr stated. "This enables us to provide faster service to our clients."

Repairs and relines can be rendered while the patients wait and one-day service can be given on new dentures, if necessary, he stated.

Newly associated with Dr. Tarr is Dr. Raymond Donahey who specializes in surgery and plate work. Dr. Donahey is a retired U. S. Army captain and lives in Long Beach with his family.

"We are continuing our credit policy of nothing down and 15 to 18 months to pay on approval, with the first payment not due until 30 to 40 days after treatment," Dr. Tarr stated.

Also associated with his office is James Judson, laboratory technician, who has had 12 years experience in the field.

Mr. and Mrs. Alfred F. Donnelly, 11642 West 204th St., announce the birth of a daughter, Patricia Kathleen, weighing 6 pounds and 15 ounces.
