Evangelistic Sermon Series Hits Halfway Point Tonight

The united harbor area evangelistic series currently under way in a "cavass cathedral" at Pacific Coast highway between Vermont and Normandie reaches the halfway point tonight with Evangelist Pete Riggs' sermon on "This, Is Your Life," at 7:30 p.m.

Delegations from various sponsoring churches will be presented in special services each evening this week.

Friday evening Riggs will speak on "Caught in the Act," and his Saturday evening subject will be "A Ticket to Heaven."

One of the most important addresses of the scheduled 22-day series which opened September 25 will be delivered by the former night club entertainer when Riggs speaks on "The Saddest Word in the Bible."

Musical Feature
Saturday evening's musical feature will be an all-request program by Les Barnett, popular organist-accompanist for the series. Barnett, a former Hollywood motion picture and radio musician, features his own arrangements of well known gospel songs and selections. Bay Ton, ventriloquist, will be the featured attraction in a

special meeting for children Saturday morning, October 9 at 10 o'clock. Participating in the entertainment feature of the children's meeting will be many harbor area small fry who passed talent auditions held at the revival tent last week. Services are held week night evenings at 7:30 and Sunday afternoons at 3 o'clock. They are open to the public.

English Class

Classes in high school English, are held every Tuesday and Thursday evening at Torrance high school under the supervision of William Moore. This class, taught from 7 to 9:30 p.m. is open to all adults and offers high school credit for those working toward a diploma.

New Rector From Canada To Visit

The new rector of St. Andrew's church, the Rev. Hugh R. Percy, will visit St. Andrew's on Sunday, October 9, before resuming his duties as rector in December.

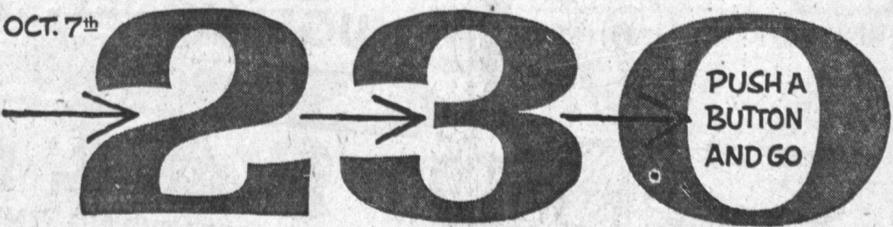

He will conduct the services on that day and will attend a coffee hour after the 11 o'clock service in order to meet and talk with the parishioners.

Rev. Mr. Percy has for the past 10 years been rector of St. Paul's Anglican church in Winnipeg, Canada, and helped to build that church into a thriving organization. Previous to this, Mr. Percy held positions as missionary and rector in several northern Canadian towns, and as chaplain in the army during the last war.

The Rev. Mr. Percy is accepting the position left vacant when Mr. Arthur E. Bello, former rector of St. Andrew's, accepted a call to become dean of boys at St. Francis Boys' Home, Bavaria, Kansas, this past August 1, 1955.
