

CHEST DRIVE
Business Solicitation Starts Mon.

Business solicitation in the 1955-56 Torrance Community Chest campaign will kick-off Monday, October 25, at 9 a.m., according to Robert Waddell, business chairman, who said the kick-off rally will be held at his home, 1226 Cranbrook avenue. Members of the business man-

power committee and business workers will meet at that time to hear a Chest training instructor give tips on solicitation methods and to receive their solicitation kits. Immediately following the meeting, the volunteers will begin contacting Torrance small business on behalf of the 168 agencies of the Community Chest. "Our goal in business solicitation is \$1,290," Adell said, "and we feel confident that Torrance businessmen and their employees will help up top 100 per cent of our quota. After all, more than 20,000 individuals in

the Torrance area, including Lomita, Palos Verdes, and Rolling Hills, were served by Community Chest agencies last year. Torrance has a real debt to Community Chest!"
Taft Returns As Guest
Reverend and Mrs. R. F. Taft, charter members and co-builders of Harbor Tabernacle, 1408 West Anaheim, Harbor City, are here for two weeks vacation from the pastorate at Mill City, Oregon. They are staying at the home of Reverend D. S. Cahill. Taft will speak at 7:30 p.m. service on Sunday,

BEVELDERE four-door hardtop is an entirely new model introduced by Plymouth in its 1956 line of cars. Aerodynamic styling, push button driving and powerful new Hy-Fire engine are among outstanding features. Safety door latches and other safety items are standard equipment. The new models will go on display locally at Whittlesey Motors, 1600 Cabrillo, Friday, October 21.

take manifold. Also on display now at Whittlesey Motors is the 1956 De Soto. De Soto claims the most extensive overall style and engineering improvement in its field, pointing to over two dozen new features.
Mr. and Mrs. Robert C. Cleveland, of 5001 Marion Ave., announce the birth of a daughter, Jenny Lynn.

Legion Plans Potluck
The American Legion Auxiliary will hold a potluck dinner on Tuesday, October 25, at 6:30 p.m., at the American Legion hall. There will be cards and games. It is open to members and friends of the organization.

New '56 Plymouths to Be Displayed Friday

Plymouth's new aerodynamic 1956 cars will be displayed by dealers throughout the nation beginning Friday, October 21, and can be seen locally at Whittlesey Motors, 1600 Cabrillo.

George Whittlesey said the new models incorporate major advances in every phase of automobile design, with special emphasis on engine performance, safety and aerodynamic styling. Plymouth has a wholly new engine for 1956. It is a more powerful Hy-Fire V-8 with a polysphere combustion chamber design, a 277 cubic inch displacement and an 8 to 1 compression ratio.

Other major innovations include: Airfoil rear fenders which emphasize and contribute to the aerodynamic feeling of the new models. A push button drive selector for Plymouth's PowerFlite automatic transmission. New 90-90 Turbo-Torque PowerFlite on V-8 models. Ninety degree angles at the inlet and outlet blades of the torque converter impeller give faster breakaway performance. A new four-door Hardtop (Sport Sedan) with an ingenious rear window operating mechanism allowing full side vision for all passengers. A new line of Suburbans, an entirely separate group of cars and are available in a wide selection of two-door,

independent hand brake, dual cylinder front wheel hydraulic brakes, safety rim wheels, electric windshield wipers and new safety beam headlights.

Optional power devices, in addition to push button PowerFlite transmission, include full-time coaxial power steering, improved power brakes, push button power front seat adjustment and push button power window regulators.

The 1956 models are an inch longer than their predecessors. Standard sedans have an inch more headroom in front, and almost an inch more headroom in the rear.

More Powerful Engines
Plymouth continues to offer both six cylinder and V-8 engines in its 1956 line. Compression ratio of the PowerFlow Six is increased to 7.6 to 1, providing increased torque and better all-around performance. The PowerFlow Six also is available for the first time with a power package consisting of a two barrel carburetor and special in-

four-door, two-seat, three-seat V-8 and six cylinder models. New safety door latches to keep doors closed even under severe impact.

New 12-volt electrical system, new pull-type door handles and new deck lid latch. Highway Hi-Fi, a new car phonograph providing an hour of uninterrupted entertainment, a new Search-Tune radio.

Safety Features
Plymouth dealers will continue to offer safety belts, anchored to the frame and available for both front and rear seats, on all models.

All other Plymouth safety features are standard equipment items. They include an

ANNOUNCING THE 1956 DeSoto
DESIGNED FOR THE SUPER-HIGHWAY AGE

NEW Push-Button Driving . . . NEW 255 V-8 Horsepower!

Push-button driving is here . . . on the 1956 De Soto. Revolutionary in design . . . superbly simple . . . you just touch a button and . . . Go! That's all there is to it . . . no levers to get in your way. Push-button control is safely located on the left side of the instrument panel. A light touch of your finger tip and you're off . . . just like that. You'll have to try it to believe it. See the brilliant new 1956 De Soto with amazing push-button driving, on display now at your De Soto Dealer's.

Never has any automobile boasted such tremendous "get-up-and-go". De Soto's new V-8 power (up to 255 hp) gives you "out front" performance at any speed. Sizzling "high torque take-offs" . . . lightning fast emergency "step down" power for quicker, safer passing. No matter what you're after in a new car, De Soto's got it. New Flight-Sweep styling, luxurious new interiors, glamorous exterior color combinations. Now more than ever before . . . Drive A De Soto Before You Decide!
