and Engracia Saturday noon. Hall was rushed to Harbor General Hospital with possible broken leg, cuts, and bruises.—Press Photo.

RESIDENTIAL UNIT TOPS CHEST GOAL

Torrance Community Chest neighborhood volunteers, under the leadership of chairman Mrs. Betty Rowell, are the first residential unit in the harbor area to make 100 per cent of their Chest goal, Torrance campaign chairman Phil Lisman announced this week.

Although all money turned in since the neighborhood appeal began November 2 has not been tabulated and posted by campaign headquarters workers, Lisman said that unofficial reports from Mrs. Rowell's seven division chairmen indicate that the unit will top its Chest goal of \$4714 by "at least \$10 or \$15, and perhaps more."

Other Units

Lisman reported collections in other Torrance Chest units as follows: Public employees, \$497, 118 per cent of their goal of \$419; commerce and industry, \$3853, 56.36 per cent of the goal of \$6837; advance gifts, \$3100, of 59.04 per cent of the

goal of \$5250, and business, \$819, 63.48 per cent of the \$1290 goal.

Mrs. Rowell and Torrance public employees chairman Mrs. Bernice Goodwin were given recognition by harbor area campaign chairman James Visceglia at the Associated Cities report luncheon held Tuesday (November 15) at the Statter Hotel.

Wins Trip to Las Vegas

Winner of the district sales contest for October, Dick Walbergh, owner of Torrance Lincoln-Mercury, was given a four-day expense-free trip to Las Vegas and Manager John Manning was presented with a cash award.

Mr. and Mrs. Walbergh left for their trip this week.

and first public employees division in Los Angeles to top its Chest goal was presented with an "Oscar" by associated cities chairman, Harold O. Chaney.

Leads Industrial Cities

Torrance leads the industrial cities of the harbor area in percentage of Chest goal reached, Lisman said, with \$12,741, or 68.83 per cent of the city's \$18,510 goal to date. Only community ahead of Torrance is Lomita-Harbor City, which has only residential solicitation, with \$1.61 per cent. Other harbor area cities report as follows in the Red Feather appeal: Gardena, 41.32 per cent; Wilmington, 55.29 per cent; San Pedro, 32.75 per cent; Rolling Hills, 21.24 per cent, and Palos Verdes, 9.97 per cent.

The 3000 Red Feather volunteers of the harbor area have so far turned in \$37,551, or 44.14

S-D DAY DECEMBER 1

The second S-D (Safe Driving) Day will be held Thursday, December 1, as part of a national safety program instituted

by President Dwight Eisenhower last year. A nation-wide attempt will be made to achieve a perfect safety record for that one day, to indicate that driving safety can be achieved through greater efforts.

per cent of the area goal of \$85,070, according to harbor area chairman, James Visceglia who presented the harbor report at the report luncheon.

Awarding of the Ira Kaye trophy to Lomita-Harbor City campaign chairman E. E. Meyer was announced by harbor area campaign chairman James Visceglia at the luncheon, for the greatest percentage of Chest goal attained of any harbor area city.

Saxon... High Lights
 By BONNIE WILLIAMS
 FR. 2-4623

Once again the Saxons took a rough beating as eight of their teammates were sent off the field with injuries received during the Culver City-North high game last Thursday on Culver's field. The locals lost 42-6.

Receiving the worst of the injuries were Bob Morgan, Bob Walker, Jim Bald, Paul Carrico, Ray Grieshaber. Morgan suffered a pulled ligament in his neck, Walker left the first with a couple of teeth chipped, Carrico and Bald both received sprained ankles and Grieshaber a chipped shoulder bone.

The Saxons meet the El Segundo Eagles tomorrow night on the Eagles' field. It's my guess the Saxons will be giving the Eagles a run for their money.

After Game Party

The McEwen residence was the scene of a party following the game Thursday night. The party, given by Bev McEwen, was said to have been the best of the year.

About 19 or 20 girls stayed for a slumber(?) party. On the "till-night crew" were Midge Simons, Marianne Parker, Margo Doxiagus, Joyce Haydon, Nancy Gibson, Bev Stepp, and Judy Breitenfeldt.

Band Gets Uniforms

Displaying their new uniforms was the Saxon band during the half time at the Culver City game last Thursday. The uniform consists of blue pants with a dark stripe and a white shirt and blue bow tie, dark shoes and socks.

The band had hoped to have the uniforms for the Grid Week game two weeks ago, but due to circumstances beyond their control, they did not receive the uniforms until last week. The uniforms look real sharp and the band seems to be doing a better job than ever lately.

Candied Apple Sale

The sophomore class sponsored a candied apple sale last Wednesday and in the course of one day sold 700 apples. This is one of the most active classes at North high and seems to be way ahead of the others.

Riddle of the Week Answer—L.A.P.D.: Larry Anderson-Phyllis Lolans. A new two some on the North high campus.

Big Kidnap

Howard Wood PTA held a "Kidnap Breakfast" at the home of Mrs. U. G. Tidmarsh, 2151 Middlebrook rd., recently.
