## Church News

### Blind Man Originates And Directs Messiah Program

The man who is guiding and coordinating the 9th annual presentation of the Messiah in 60 different localities of Southern California Sunday, December 4th, is blind according to the area manager of this community, Fred Lincoln.

He is Dr. Gordon Bachlund, director of sacred music for the Church Federation of Los Angeles. He will be the busiest man in Southern California December 4, when all 60 presentations of the Messiah will be held starting at 4 p.m. Locally, it will be sung at First Lutheran church, 2900 M. Carson St.

A massed choir with singers from different churches of this community will sing, with Frank Owen as director. Although sightless, Dr. Bachlund organizes and manages this musical festival—the largest of its kind in America, if not in the world. Something like 1800 choirs composed of 15,000 singers will be involved. It is estimated that more than 100,000 people will attend the 60 presentations of Handel's great oratorio, and a good crowd is expected for the local presentation.

The Messiah idea started with Dr. Bachlund and the Music Commission of the co-sponsoring Church Federation of Los Angeles and the Southern California Council of Protestant Churches. They thought first in terms of a major performance in the Shrine Auditorium, Los Angeles, and then, suddenly, the idea struck Dr. Bachlund. Why not bring the Messiah to the people rather than the people to the Messiah. The first year, 1947, there were 10 performances and 8000 in attendance. "Contrast this with the 60 performances this year and you get some idea of the ability of this man who cannot see," said Lincoln.

No admission will be charged for the local performance, and the public is cordially invited to attend, the area manager announced. Monday, December 5, church members will attend the Los Angeles Southern Baptist association Training Union "M" night program at First Baptist church, Huntington Park. Work has begun on a recreation building to be used for classes, fellowship meetings and for special church activities.

### Church Notes New Y Clubs' Formation

Two new YMCA clubs were formed at the First Methodist church recently. A Gra-Y club for fourth grade boys is meeting under the leadership of George Kimberly, 22903 South Berendo.

The club meets on Tuesday evenings at 7, at the Methodist church. Activities being planned by the boys include a week-end snow trip and a bombardment league.

Members of the new club are William Wessenberg, Jim King, Jack Robison, Larry Champion, Robert Stoneberg, and Steve Kimberly. A second new Y group at the church is a Y Indian Guide tribe for fathers and their first and second grade boys. Helping in the formation of the tribe is Lyle Enger.

### Revival Will End Sunday at Narbonne

The Narbonne Avenue Southern Baptist church, with Reverend Robert A. Wells, pastor, began its revival services November 27 with Reverend Dale Huffman, pastor of the Bethany Southern Baptist church of Bellflower, as the evangelist.

A new Training Union attendance record was set Sunday evening, November 27. The revival services will continue through Sunday, December 4.

The church will be engaged in a School of Missions December 4 through December 9. Lessons for all ages will be taught on the Moslem world. Returned foreign missionaries will be the principle speakers. The School of Missions is being sponsored by the Training Union and Woman Missionary society.

Monday, December 5, church members will attend the Los Angeles Southern Baptist association Training Union "M" night program at First Baptist church, Huntington Park. Work has begun on a recreation building to be used for classes, fellowship meetings and for special church activities.

### Pastor Views TV Influence On Families

Reverend Richard A. Miller, character and spiritual chairman, gave a short talk on "Second Hand Living," referring to the family relations being hampered by influences such as TV, at the monthly Seaside PTA meeting. The second grade teacher presented a demonstration, with the aid of her students, of second grade arithmetic learning methods. This was carried out in measure-

ments of liquids to determine the various quantities constituting a liquid quart. This was followed by a skit "Jazz Age," presented by the seventh grade. The seventh grade instructor supervised this production. The regular business for the
