Turkey Had Last Laugh

J. B. "Hap" Chandler of 1110 Cranbrook, Torrance, may have had turkey Thanksgiving day but the following day, it appears, he got the bird.

Chandler, a retail clerk in a Gardena grocery store, had a frozen turkey fall on his foot and break a toe. He required a cast which went up to his knee.

This Story Applies To You...

It is entirely possible for Torrance to go through "S-D Day"—Safe Driving Day, Thursday, December 1—without a single traffic accident, Chief of Police Willard Haslam said today.

"We can achieve this goal of no accidents on S-D Day," Chief Haslam said, "if we accept the idea that traffic safety is an individual, personal matter.

"If every man, woman, and child in our community will keep in mind that traffic safety is his or her own personal responsibility, we can wipe out the traffic accident problem as effectively as medical science has eliminated some of our dread diseases of the past.

"S-D Day will be observed in every community in the United States. It is a tremendous nationwide effort to prove that traffic accidents can be reduced if all motorists and pedestrians cooperate. The President through his Committee for Traffic Safety is lending the full support of his office to this program. It deserves the full support of all of us."

Chief Haslam suggested these specific safety rules to drivers and pedestrians:

1. Observe the letter and spirit of all traffic regulations.
2. Be courteous to every driver and pedestrian—practice sportsmanship.
3. Give full attention to driving and walking.

In short, drive and walk as you would have everyone else drive and walk.

"Let's make every day Safe Driving Day in Torrance," Chief Haslam said.

Second Annual Auto Show Starts Friday

Torrance auto dealers are joining local merchants this week in making this year's Christmas season the most outstanding ever organized in Torrance.

Five local auto dealers are cooperating in offering an all expenses paid New Year's weekend at the Ambassador hotel, plus reserved seats at the Rose Parade and Rose Bowl game, for the winner on an auto contest which starts today and ends at 6 p.m., Sunday, December 11.

(The winner may be accompanied by one other person who will share all the privileges).

Contest rules call for the following:

1. Complete the following sentence in 25 words or less: "I'll buy my next car from a Torrance new car dealer because . . ."

2. Take a ride in any new car and have the salesman validate your entry blank (cars must be those of one of the participating auto dealers).

Entry blanks may be clipped from the ad in this newspaper on page 00 or may be obtained from any of the participating auto dealers.

Blanks may also be picked up at the second annual auto show which opens Friday, December 2, on the California bank parking lot (Marcelina near Cravens).

The latest car models from Oscar Maples Ford, Whittlesley Motors (Plymouth-De Soto), Torrance Lincoln-Mercury, Butler Buick, and Paul's Chevrolet.

The three-day show will be held as follows: Friday night, from 7 p.m.; Saturday, 9 a.m.-

night; 5-course dinner and entertainment at the Cocoanut Grove; special transportation and reserved seats at the Rose Parade and Rose Bowl game; cash for incidental expenses; return trip to the Ambassador Hotel Monday after the game.

BE ALERT
Every moment you're behind the wheel of your automobile be physically and mentally alert, advises the National Automobile club. A little care can make you a safe driver. A little carelessness can make you a corpse, the club points out.

Yule Concert Planned By Torrance High

FIRST ANNUAL CHRISTMAS PROGRAM
The Torrance high school department of music is now in the finishing stages of preparation for the first annual Christmas program, to be presented at the High school auditorium, Thursday, December 15, at 8:15 p.m.

Two hundred students of the music department will take part in the program which will feature both choral and instrumental music. The show will be performed in all the color and tradition of the Christmas season.

The combined Tartar choir and Girl's Glee club, numbering some 140 singers, will open the ceremony with a colorful Christmas procession. Each organization and their soloists will present special groups of traditional Christmas songs and carols dating from the 17th century to the present day.

The high school concert band will present a special group of Christmas excerpts from the ever popular "Nutcracker Suite." Several of the best known Christmas carols will also be played by the 60 piece band.

Through popular approval and success of the combined spring concert this year, the first annual Christmas program will be the second time that a combined vocal and instrumental program will be presented in the Torrance area. Glenn Hawley and James Davidson of the high school music department, are co-directors of the program.

J. Benner; and Bob Mosher, national director of the United States Junior Chamber of Commerce.
