

Recommend Approval Of Dump Site

Granting of a variance for a regional dump in Rolling Hills was recommended for approval to the County Regional Planning Commission by the County Zoning Board last week. Conditions attached to the recommendation include: fencing the area with a six-foot-high chain link fence; adequate gates; planting of protective shrubbery in a 10-foot wide buffer strip; and provisions for cutting down excessive noise, dust or smoke.

The proposed dump site is located on both sides of Crenshaw blvd. north of Palos Verdes Dr. North.

The Planning Commission is expected to act on the matter December 6, officials stated.

And carving sets and tools for Dad.
From dolls to wedding gifts for a Girl,
Santa's so tickled his whiskers curl!
Goodness gracious, no baby things?
Sure, Kuala Bears, pull toys on strings.
All sorts of things for Grandma and Gramps,
And believe is or not, there are S & H Green Stamps.
What's that you say? You don't know where?
Why Santa will tell you, it's Torrance Hardware.
