Creator of Make-Up Cream To Offer Free Beauty Tips

Women may avail themselves of free make-up advice Friday, December 30, from 10 a.m. to 5 p.m. when Anita D'Foged of Denmark, creator of a delicate make-up cream which is handled locally by Ruth Davis, 1415 Marcelina ave.

The make-up cream is water repellent and may be used on arms, legs, or face for all-day lasting beauty.

The cream, originally created for delicate Scandinavian skin beauty, is said to be the only make-up cream sold in sanitary, economical, practical and handy-to-carry tubes.

Seven different shades are available to suit individual taste and complexion. The cream requires no powder yet gives that warm, youthful glow and fresh, alive, dewy look.

Colors are said to blend so perfectly that a woman using the cream never has that artificial 'made-up' look.

The cream can be removed with a cleansing oil or cream. The cream feels exhilarating and soothing and, when applied, gives the appearance of a fine-textured skin.

EXCLUSIVE AT RUTH DAVIS!

the amazing facial make-up cream that gives you in seconds exuberant, vibrant natural beauty . . . all day long!

Anita D'Foged is back in Torrance tomorrow Friday, Dec. 30th from 10:00 A.M. to 5 P.M. and is happy to hear the wonderful reports from the users of Day Dew facial makeup cream. DAY DEW facial makeup cream is so well balanced in its composition that while wearing it the emollient ingredients tend to keep the skin soft and moist (wonderful for dry skin). The pigments are protective and slightly astringent and help to offset surface impurities. The cream is held in suspension by humidity which is released upon applying it to the skin (gives beneficial cooling comfort).
