Mrs. Phyllis Ziffren Deutch, prominent Los Angeles attorney, is the honored speaker of the evening, at the next meeting of the Gardena Valley Jewish center, at 14725 South Gramercy place, on Monday, January 9, at 8:30 p.m.

The meeting is open to all members of the center, Men's club, and sisterhood.

Mrs. Deutch will speak on current events in Israel. She is well known in the community as a platform speaker and is now chairwoman of the Speakers' Bureau of the Women's division of the "Bonds for Israel."

She passed the bar examinations in Illinois and California; is a graduate of Northwestern university and Northwestern Law school. She is past president of the Los Angeles chapter of the Hadassah, and a member of the board of that organization, as well as being a member of the Zionist consul.

### 'Way of Life' Science Topic

Sunday services of the Church of Religious Science, the Junior Church, and the Metateens will be held concurrently at 11 a.m. in the Masonic Temple, Ruby and Catalina streets, Redondo Beach, according to Dr. Earl D. Barnum, minister. A nursery, with a professional nurse in charge, is provided.

"Each Sunday during the remainder of the month of January," says Dr. Barnum, "will be devoted to a discussion of some phase of Religious Science. Service on January 8 will be given to a definition and explanation of the purposes and principles of this religion."

### Lecture Set For Science Program

George Channing, C.S.B., of San Francisco, will be the guest speaker at the lecture on Christian Science to be held at the Redondo Fox theatre, Diamond and El Paseo, Redondo Beach, under the sponsorship of the First Church of Christ, Scientist of Redondo Beach, on Monday, January 9, at 12 noon.

Channing is a graduate of Brown university and studied law at Yale. In 1951 he was appointed manager of committees on publication, an office comparable to a public relations post for the religion of Christian Science throughout the world.

He is a member of the Board of Lectureship of the First Church of Christ, Scientist, in Boston, Massachusetts.

In commenting on his forthcoming lecture, "Christian Science: Its Constructive Mission," Channing stated that the threat of destruction which seems to present itself vividly to mankind today is not in accord with the true teaching of Christianity.

He declared that there is no aspect of destruction acceptable to true Christian thinking. He stated that he will develop the theme that the dignity and individuality of man are indestructible when man is understood in his true and spiritual status as the expression of his Creator.

"There is no admittance fee to this lecture which is open to the public."
