

Ford Agcy. Will Give Away Car

A "lucky 1921 silver dollar" contest will be held throughout February with the winner receiving a '53 Ford convertible, according to Vel Miletich of the Oscar Maples Ford agency.

Miletich said the contest celebrates the opening of the agency's second location at Hawthorne avenue and Pacific Coast highway as well as the second anniversary of his assuming the presidency of the organization.

Rules for the contest are simple. Individuals should bring a 1921 silver dollar to one of the agency's two locations (the one on Hawthorne or the one at 1420 Cabrillo).

The dollar will be registered and may be picked up again at the end of the contest. A winner will be picked from among those who registered for the contest, and will be announced in March.

Toastmasters Enter Third Contest Lap

Tuesday evening February 7, the Torrance Toastmasters will enter their third heat in the process of selecting a speaker to represent the club at the Area Speech Contest to be held on March 23.

At each meeting four speakers compete and one is selected by the club members as the best speaker of the four and he will go into the finals scheduled for March 6. So far selected as finalists are: Bill Evans, of the Oscar Maples Ford company, and Scott Albright of the National Supply company.

"The Toastmaster" of the Tuesday evening meeting will be Frank Gorbet of the Gen-

eral Petroleum Refinery, who is planning a meeting based on "Conference Procedure". Dr. Warren Harvard Low, of Lomita, will handle the table topics session.

According to Gorbet, the competing speakers will be Kenneth Anderson, Harry Harwood, and Richard Barrett of Torrance, and Joe Hencel of Harbor City.

Why be handicapped with that aggravating "middle distance blur" that most people experience with bifocals? If you have difficulty in reading "merchandise labels" in stores, in distinguishing book titles in the library, in seeing all the playing cards on the table, etc., you'll marvel at the "new sight" that CONTINUOUS VISION LENSES will bring you! These are the modern glasses that assure clear vision at ALL distances—without head bobbing and neck craning. Let us demonstrate—without obligation—why you will feel better and work better when you change to CONTINUOUS VISION LENSES. Not expensive; easy terms. Come in soon!

Telecast Drama To Be Presented Without Commercial

"Mayor of the Town," starring Academy Award-Winning Thomas Mitchell, began a new television series last night at 9:30 on Channel 11. Richfield Oil company will sponsor the program.

Special feature of the telecast is the presentation of the drama with no commercial at the beginning, middle, or climax of the program. Instead of advertising, each program will close with a discussion of natural resources or the interviewing of California conservation leaders.

"Mayor of the Town" is designed to capture the humor, irony, and tragedy of "everyday life" as it is lived in an average American town. No matter where they live, viewers will recognize and feel kinship for the characters and situations that will be developed in the series, according to the sponsor.

Supporting Mitchell as Mayor Russell of Springdale, the other members of the company are David Saber, as Butch; Jean Byron, the mayor's secretary; Kathleen Freeman, the mayor's housekeeper.

Trial Scene Reconstructed In Production

The First Lutheran church, 1725 Flower st., Torrance, was the scene for the re-enactment of "Jesus On Trial," this week.

This instructive presentation was conducted as a court-room scene. It has been acclaimed as the most unique sermon in America. Members of the audience sat on the jury.
