The choice of the delegate is made on the basis of skill in competition in the various aspects of camp lore and an ratings in poise, personality, and friendliness.

his father's business. He will attend Ridgewood Prep School in New Orleans but will return to THS for graduation.

Audimeter tests were given to students in the ninth, tenth, and eleventh grades at Torrance high February 1 through 3. The tests were given in an audiometer trailer, which held eighteen students at a time, during the gym classes.

Proceeds of the dance will go toward the purchase of kitchen utensils for the Center. Refreshments will be available.

The next regular meeting of the Sisterhood will be held Tuesday, February 14, at 8:30 p.m., at the Center. The regular order of business will be taken up.

## Heart Fund Volunteers Needed Here

Volunteers are critically needed to help with the Heart Fund campaign this month, according to Mrs. Pat Evans, chairman of the Torrance volunteer group.

"We have had only a trickle of volunteers," Mrs. Evans said today. "We need a great many more to help with all phases of the campaign, but particularly Heart Sunday, February 26."

Torrance has been divided into campaign districts based on elementary school attendance zones, Mrs. Evans stated. "Only the North Torrance Elementary School has provided more than a very few volunteers. But everyone has a heart."

Local citizens wishing to help with the Heart Fund campaign may contact Mrs. Evans at Davis 9-3328.
