## Bring Out Your Palette And Paint, We Have an Art Group

Art media ranging from paintings, through sketches, to block prints were examined, enthusiastically praised, torn apart and put back together again verbally, when the new Torrance Art Group held its third and now regular monthly meeting recently.

The members brought their art work for group discussion. This plan of exchanging ideas will be carried out in succeeding meetings.

Officers were elected for the new organization. They are: Mrs. Vicky Feldon, president; Mrs. Jean Townsend, secretary; Clifford Nelson, program chairman; and Mrs. Rudy Parks, sketch trip chairman.

Exhibits will be under the direction of Mrs. Ann Gentry, Miss Kay Majack, and Mrs. Edythe Kerr.

Anyone interested in joining

the group may obtain further information by calling Mrs. Feldon at FA 8-2694. Actual experience in the field of art is not necessary, she said. The group wishes not only to provide a meeting ground for those who create, but also for those who are interested in knowing more about art, or who wish to further artistic appreciation in Torrance.

Mrs. Feldon said that the group hopes to attract representatives from all fields of artistic endeavor from the modern to

the traditional.

A sketching trip to Palos Verdes is planned for Sunday, February 19, at 9:30 a.m. The group will meet at the See's Candy store parking lot, 1629 Pacific Coast highway, and then proceed on the trip.

After the meeting, coffee and refreshments were served, and an informal discussion continued.
