This Driver Really Flipped

John Blodgett, 19, of 613 Calle Miramar, this week could tell an accident story with a number of startling twists to it.

Blodgett's car flipped over on its top when it crashed near Lomita and Hawthorne boulevards Friday while Blodgett assertedly tried to avoid a collision with another car.

According to reports, he was not injured.

How To Buy A New Car

Don't be fooled by the "Volume Deal Low Cost" pitch. To sell cars in big volume is very expensive! The facts are it takes \$100 per car for T.V., radio, etc., \$30 per car overhead (rent, light, office help, etc.) and \$85 in commissions and bonuses for high pressure salesmen and managers. This totals \$215 actual cost per car for a "Volume Deal."

No matter what give-away or "Free Gimmick" the Volume Deal represents there has to be a profit on top of this \$215 cost per car!

At T.L.M. our costs per car are ONLY \$93 TOTAL! This is a difference of \$122 in cash savings that we as a small dealer can and do pass on to you over any bona fide deal by the so-called Big Volume Dealer—we can prove it! See us today!

Members of the Prowlers Car club are: Jess Hanon, Tom Titchner, Tom Shurburne, Bob Norton, Jim Schmidt, Jerry Seward, Jeff Carr, L. G. McLaughlin, Roger Bohne, and John Zamrzla.

Others are: Bill Boldan, Skip Smith, Carlos Skaggs, Harvey Silagy, Mike McCown, and John Gomez.

In addition to planning the rodeo, the members of the Prowlers will also participate in the competition.
