

Car Club Garage For Youngsters Opening

What Disneyland is to youngsters, the T-Timers Garage will be to teenagers who love to tinker with cars. So stated Frank W. Burk for whom the official opening of the T-Timers Garage for South Bay boys at 298 N. Pacific avenue in Redondo, represents a dream come true.

Burk, who has taken a vital interest in youth activities, initiated the idea of having a huge garage where youngsters could come to work on their cars and where they could build up their own club car.

The present garage, located in a former manufacturing building, is equipped to handle 30 cars, Burk stated. It will be opened officially Sunday noon, February 26, and all interested individuals are invited to attend.

The T-Timers car club is open to boys who are 16 years or older. The club, as well as the garage, is sponsored by the Torrance lodge of BPO Elks.

Opening ceremonies will include a few words by the mayor of Torrance and Redondo; presentation of the U.S. flag by Exalted Ruler Joe Yates of the

Torrance Elks; swearing in of candidates and issuing of ID cards and plaques by Frank Burk, South Bay organizer and field executive.

Hal Hill, state field executive and secretary of the Elks, will cut the ribbon and speak about the purpose of the T-Timers car club.
