ATTEND THE CHURCH OF YOUR FAITH

I would like to take this opportunity to pay tribute, and thank God, for a group of people, who are the silent heroes of our community. They are the people who, Sunday after Sunday, take time from a busy life to spend time with God in the churches of their choice.

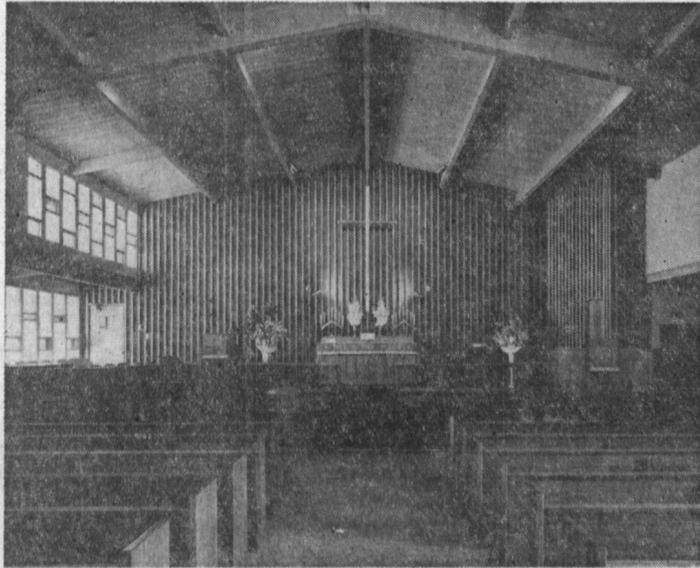

Rev. Paul Wenske

Inspired by God and His Word, these are the people who also give their sacrificial gifts to the Lord's work. Week after week many of them give as much as ten per cent of their income to support the work of the church as well as giving many, many hours of volunteer labor of love teaching boys and girls in Sunday school or doing one or more of the other many tasks that keep the work of the church going. Like soldiers singing their favorite battle cry, "Onward Christian Soldiers, Marching as to War" These men and women and boys and girls are working and sacrificing that the many churches of our community may adequately meet the spiritual needs of our fast growing community. With thousands of boys and girls in our community and still more coming, our Sunday Schools are filled to overflowing and more facilities are needed. Our church people, willing to demonstrate their great love for people and their faith in the living Christ, are determined to expand their churches to make more room so that more may learn about Christ and be filled with the spirit of the living Christ.

We pastors have an enviable position to be able to work with people who are willing to do so much for others, and who are willing to give so much to spread the wonderful teachings of the Christian faith. Humanly we ask, "What makes people do so much to support the church's work?" It is answered in these words of scripture "With God nothing is impossible, without God you can do nothing." It is really God who is giving to the church and who works for the church through people who are willing to be used by God for this wonderful purpose. Man rises as high as the thing he worships.

I said pastors have an enviable position, but so do you. There

The Church of the Week

FIRST LUTHERAN CHURCH - CARSON and FLOWER

is a sincere welcome from every Christian church to you to come and worship God with their people and to let God work through you to perform the wonderful work of the church. You need the church and the church needs many more sincere Christians.

We at First Lutheran Church want to say, "It is a wonderful privilege to worship God, to believe in Christ as our personal Savior, to study God's Word, and to work in fellowship with people who love and believe in the church." We are anxious that every man, woman and child in our community may share in the wonderful blessings God has given through His church. Let's all work to keep churches in our community and our community in the church.
