### North High Band Rated

The North high band, the newest local high school band, attended the music festival at Fullerton, April 14th, and became the first band in the history of Torrance to be awarded a superior rating at a regional festival.

The forty seven bands and orchestras participating came from all over Southern California to be eligible to attend the festival, they had been rated superior at their respective district festivals.

Kenneth D. Owens, one of the judges, in commenting on the Saxon band, and its director, Mary Bavin, stated: This band is tremendous for a first year group. Your performance was excellent and it must be a real pleasure for the band members to play for such an understanding and musical director."

That evening many of the bands traveled to Disneyland where they marched in a parade down Main st. and into the town square for a mass band per-

### WCTU to Meet At First Nazarene

Regular monthly meeting of the W.C.T.U. will be held at 11 a.m., Friday morning, at the First Nazarene church, 1501 West Carson.

New members are welcome, it was announced.  
Ladies have been asked to bring a sack lunch.

All of the band members who participated in the parade were admitted to Disneyland free of charge and given a book of eight tickets.

### Solos to San Diego

All of the soloists and ensembles who received superior ratings at the district festival will travel to San Diego for the finals on April 28. Soloists attending are Bob Wyatt, trumpet; Alan Certik, French horn; Lee Tussing and Jimmy Peel, drums. Ensembles attending are a trumpet trio with Ruben Filion, John Duboise, David Klem; a brass sextet with Dick Powell, Kim Browning, Alan Certik, Phyllis Kemp, Dick Bybee and Ken Cook.

## PROSTATE TROUBLE GLAND WEAKNESS

Men past the age of 40 with any change in Urinary Habits, such as difficulty in passing of Urine, dribbling of Urine, Mental Confusion, High Blood Pressure and general physical weakness, should suspect some form of Prostate Disorder. Patients in whom the condition has been prolonged may fail to complain of these symptoms, since they have forgotten what it is to Urinate freely. Rectal examinations usually will reveal an enlarged gland. Most Prostate Cancers are readily detected by this enlargement through Rectal examination. If Urine does not flow freely and naturally, infection arises and destruction of Kidney Tissue follows, the Blood is enervated with wastes, resulting in Uremia.

## CONSTIPATION RELIEF IN 20 MINUTES

Dr. Daniel Colin Munro, M.D., says:

"I have never seen a case where a long series of enemas or irrigations failed to improve later bowel activity. I believe that the chief value of this therapy, however, is not in simply emptying the colon, but in cleansing degenerated and infected areas in the bowel wall, which are more or less common to all adults, areas through which infection and toxins enter the lymphatics and blood stream, carrying disease to our heart, liver, kidneys and other organs."
