

Pittsburgh PAINTS

A Brand Name known not just in the South Bay or Los Angeles area but the world over for the unquestionable quality found in their products. — We of Paramount Center are proud to be associated with the Pittsburgh family. Over eighty percent of our business is repeat — Our prices must be right—The people of Torrance are not to be fooled, they know that it pays to buy good paint. This accounts for the relatively low percentage of dealers in Torrance who sell inferior grade paints.

DUTCH SAYS: Spring is now here and it is time to start fixing up the house. Please, I repeat, Please don't be taken in by these so called paint sales and deals, which in the industry are known as "junk." It pays to buy good paint. It may cost more, but in the long run it will be a lot cheaper and more satisfactory for you. You don't have to take our word for this, just ask any painter, or reputable paint dealer. "It really pays to buy a quality paint, whether it be PITTSBURGH or another National brand."
