

Last Round Up Held by Dance Group

Dudes and Dudesettes, teen-age square dance group sponsored by the Torrance Recreation department, held their "Last Roundup" recently in the Civic Auditorium.

Over 75 teenagers "swung their partners" to the calls and patter of Gerry Reeser.

For this "Last Roundup" there was no admission charge. Refreshments were served and door prizes given.

Usually these dances have continued into May. This time the classes ended in April because it has been necessary to reschedule events which were cancelled while the auditorium floor was refinished, the department reported.

Friday nights from now until the end of June are filled almost entirely with high school events. The recreation department is planning to reopen the class during the summer months beginning in July.

Plans are also being made to

organize similar classes on two of the local parks in North and South Torrance, officials announced.

Allen Swansbrough of 2249 South Patton, San Pedro, left the dance with the top boy's door prize, a new cowboy shirt. A white leather purse was swinging from the arm of Shirley Ann Thompson of 321 1/2 North Gertruda in Redondo Beach.

Colorful scarves and ties were won by: Paulette Johnson, 110 Elm, Torrance; Priscilla Beasley, 24240 Ocean, WALTERIA; Sharon Pulliam, 24255 Ocean, WALTERIA; and Susan Green, 18038 Faysmith, Torrance.

Others were: Dean Richter, 161914 Casimir, Torrance; Ed Farmer, 1471 18th, San Pedro; Ed Balch, 3204 Dalmead, WALTERIA and Ronald Washburn, 18026 Faysmith, Torrance.

Problems of Children Set Panel Theme

A panel discussion of child behavior problems and the way parents have dealt with them was the highlight of the recent Crenshaw P.T.A. program.

The film, "Dr. Spock," depicting the social behavior of the child from birth up to 10 years of age, furnished the subject matter discussed by the panel.

Panel participants were Phyllis Huisenga, moderator; Mrs. Carl Ahee, William Atwood, Kenneth Blake, Robert Blevins, Mrs. Ralph Eystone, Mrs. Doris Spaulding, Mrs. Dane Walker and Helen Wieman.

Walteria Lacks 20% of Goal for Cancer Fund

With the aid of approximately 40 volunteer workers including 17 young people, Walteria has reached 80 per cent of their goal in the Cancer Fund Drive, Mrs. Henry Fink, Jr., chairman announced.

"The volunteers have worked so hard to get this far," Mrs. Fink said, "that we want desperately to get the other 20 per cent to complete our goal."

Anyone who has not been contacted may call Mrs. Fink at FR. 5-1926 and she will come to collect the donation personally, she said.

If it appears that the quota will not be reached in time, Mrs. Fink announced that she and
