## PTA Views Problems of Water Safety

Madrona PTA opened its recent meeting with the flag salute led by Scouts of Den 7. A film on swimming safety was shown, and Lifeguard Dick Evans gave a talk on the perils of a rip tide, and answered questions of the parents. There will be a talent show Wednesday, May 16. Any relative of Madrona school children who would like to participate may call Mrs. R. L. Hagenbaugh, FA. 8-2633, or for entering talented children call Mrs. J. W. Cassidy, FA. 8-5677.

Madrona PTA is having a cartoon carnival May 18. Popcorn and ice cream will be served.

Open house was held recently with the new classrooms open to all. The first and fourth grades are now on full sessions. Anyone wishing to serve on the board may contact Mrs. A. U. Turner, FA. 8-3287.

Volunteers for room mothers next year are being sought. The last board meeting was held at the home of Mrs. R. L. Hagenbaugh.

## Punishment Of Evil Sets Sunday Topic

The theological doctrine of punishment for evil will be explored at the First Church of Christ, Scientist, 1750 Manuel avenue, Sunday, April 29, under the topic, "Everlasting Punishment."

That the punishment of evil is inherent in evil and the reward of good inherent in spirituality will be highlighted.

The golden text from Proverbs (13:21) sets the keynote of the lesson-sermon, "Evil pursueth sinners; but to the righteous good shall be repayed."

"The moral law, which has the right to acquit or condemn, always demands restitution before mortals can go up higher," reads a passage in the lesson-sermon from "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

### NEW MEXICO INDIANS

Over a thousand years ago, according to the National Automobile club, the Indians overflowed the valleys and topped

the mesas of New Mexico leaving remains of dwellings, irrigation systems, and pictographs on the cliffs that may be seen today.
